## Regent's Review

*Dr. Bettie R. McKaig; Regent, ICD USA District 16, 2015-2018*

Dr. McKaig

---

*"You are a member of an incredible organization...without equal in any other dental honorary organization."*

---

Happy New Year!

This is the time of the year for new resolutions and a change of officers for the Sixteenth ICD District. For the past four years I have been honored to serve as your District Regent for the USA-ICD Section.

Dr. Mark Crabtree from Virginia is taking the helm and will bring his wealth of leadership ideas to represent you with distinction. Dr. Scott Eidson will transfer from North Carolina Deputy Regent to replace Mark as Vice Regent. Richard Roadcap, DDS, CDE will continue to handle double duty as the District Editor and the Virginia Deputy Regent. Dr. Felicia Goins will continue her outstanding work with the South Carolina chapter as SC Deputy Regent. Dr. Scott W. Cashion, past President of the North Carolina Dental Society, has agreed to serve as NC Deputy Regent.

The ICD Annual Session in Hawaii was successful with all three states presenting new Fellows for Induction. We've launched a new, members-only, Facebook page for the 16<sup>th</sup> District ICD. Go to Facebook, join the group, and learn more about ICD fellows in the district. We need your participation to make this a success!

The USA-ICD has expanded the Membership Committee information available to your officers to assist you in nominating candidates for Fellowship. Please note the 2019 ICD Annual Session and Convocation is the week of Labor Day in San Francisco, which is earlier than usual. That timing will necessitate the May 15<sup>th</sup> deadline for completed nomination packets. Please consider honoring one of your deserving colleagues with ICD Fellowship and start the process now. Each approved candidate will be given the opportunity to postpone their induction until 2020 in Japan for the ICD Centennial Celebration. San Francisco is always a popular venue so watch for the hotel information in a few months.

On November 27, 2018, I was installed as the ICD International President at the Worldwide Council meeting in New York. I am excited to continue serving you and all ICD Fellows across the globe in 122 countries. You are a member of an incredible organization with a Global Leadership and Humanitarian footprint without equal in any other dental honorary organization. I will see you in San Francisco at the convocation to extend the hand of Fellowship to new Fellows.

## Virginia ICD Holds Fellowship Dinner

**Above:** *Dr. David C. Sarrett, FICD, lectures on his visit to a Chinese dental school*

**Below:** *Dr. Sarrett (L), Dr. Mark A. Crabtree, FICD, Regent, 16th District, ICD USA.*

Over 30 ICD Fellows and guests met January 18 in Midlothian for the first Virginia ICD Mid-winter Fellowship Dinner. Dr. David C. Sarrett, FICD, presented “Made in China – Dental Education in the People’s Republic”. Dr. Sarrett, Dean of the VCU School of Dentistry, visited Qiangdao, China in October, and gave a detailed review of dental education there. Faculty and students from VCU and Qiangdao have visited each other’s sites for a number of years. Previous VCU student visits have been reported in this publication. The International Student Experience (ISE), an outreach program of the USA Section, International College of Dentists, has helped fund these trips. Although no business was conducted at the dinner, the new Executive Director of the Virginia Dental Association, Ryan Dunn, attended and was introduced to the group. It’s hoped the dinner will become an annual event. For more photos, log on to the [16th District Facebook page](#).
