

INTERNATIONAL COLLEGE OF DENTISTS
1987 JOURNAL OF EVENTS USA SECTION

Objectives of the International College of Dentists

The ICD is an honorary organization banding together outstanding dentists from around the world who have, by their actions, demonstrated an abiding interest and concern for their profession. The College membership totals over 7000 with 4200 members in the U.S.A. Section, and almost 3,000 members in other countries.

The objectives of the ICD are as follows:

1. To recognize outstanding dental achievements by individuals as well as groups.
2. To promote a strong feeling of fellowship among all of its members, within each country and all Sections of the College.
3. To aid in the promotion and dissemination of significant scientific information for the health and wellbeing of all peoples of the world.
4. To support financially and with manpower projects which contribute to the wellbeing of the entire profession.
5. To support the concept that the multi-national composition of the College creates unique cultural and professional opportunities for its members.
6. To encourage a high standard of ethical and professional conduct among its members.

The college observes an extensive program of screening of its candidates before any are selected for Fellowship. Candidate qualifications are evaluated by as many as 25 Fellows during the screening process which ensures a high level of selectivity of all of its members. The small membership of the college is deliberate and contrasts interestingly with its world scope—a purposeful paradox.

The College does honor to those selected for Fellowship and, most importantly, they are professionals both able and willing to extend to the College their own special area of professional usefulness with little thought of personal recognition. As they are honored, so shall they do honor to the College.

The ICD is respected throughout the world. We are guardians of its dignity and proud of the challenge placed on us to live up to its standard in all that we do.

MASTERS OF THE COLLEGE

Masters shall be those who have attained the rank of Fellow and who, on account of personal character, position of influence and honor, eminence in practice or in dental research, or other remarkable attainments in science or in the art of dentistry, and because of significant service to the College, are recommended for special and well-earned distinction. Election to the status of Master shall be by a special vote of the board of Regents.

ICD EDUCATIONAL CONFERENCE

VI

July 14-16, 1988

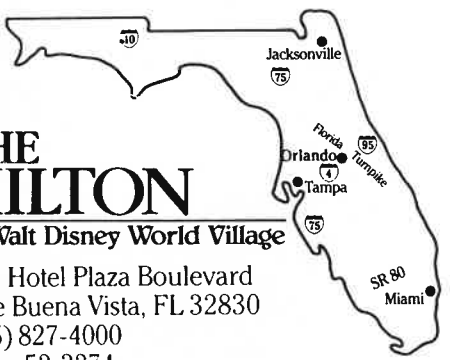

Only once in a lifetime will you be able to attend an educational conference without tuition, where the topics to be discussed are ones you can use everyday. Not to mention, visit the fun state of Florida before or after the Conference.

When the success or failure of the materials used each day in your practice must be cost effective, Dr. Anusavic's lecture will be extremely important.

Dr. Soderholm will help you insure success in the use of bonding materials and making bonding fun.

Dr. Mahan will guide us through the labyrinth of T.M.J. diagnosis and treatment. You will better understand how to communicate with your patients in diagnosing their problems.

Come to Florida and join us in a relaxing and learning Conference.

THE HILTON
At Walt Disney World Village
1751 Hotel Plaza Boulevard
Lake Buena Vista, FL 32830
(305) 827-4000
Telex: 52-3274

Take Interstate 4 to exit 27 for the "Disney Village." Travel north on S.R. 535. Turn left at Hotel Plaza Boulevard.
Rates: \$105-120

INTERNATIONAL COLLEGE OF DENTISTS

American Dental Association
129th Annual Session

Invitation
to the
Convocation and Banquet
Friday, October 7, 1988

The convocation will be held at 1 p.m. Friday afternoon at the Sheraton Washington Hotel. That evening a social hour will be held at 6:30 p.m. followed by the banquet at 7:30 p.m. Entertainment and dancing will also be part of the banquet.

President USA Section

Baxter B. Sapp, Jr., DDS

FANTASTIC! That is the way I would describe my visitations to some of our Constituents, as they were both enjoyable and productive. At the state meeting in Virginia, we discussed having a new District 16 meeting between North Carolina, South Carolina and Virginia. Tentative plans for that meeting to be held in Chapel Hill, North Carolina are scheduled for June 10-12. The long red carpet rolled out by our Fellows in New York during the Greater New York Meeting is a perfect way to begin December. I regret that I was unable to spend more time there. The large and enthusiastic District 1 who met in Boston during the Yankee Dental Congress were gracious and generous with their fellowship and very interested in the course of College activities. Attending the ICD Meeting in Puerto Rico during February is the next best thing to going to Heaven. This was Elsie's and my first trip there and the Puerto Ricans have a wonderful way of understanding the correct proportions of work and play to achieve the best results. That visit was most productive. Leaving Puerto Rico with a brief stop-over at home to pick up "warm luggage," we journeyed to Chicago for the Meetings with the American Dental Association and our own Executive Committee. This is my report to you concerning those meetings:

In Puerto Rico, 95% of the Fellows are faculty members at the School of Dentistry and my first day there was spent touring the school, meeting with faculty, Deans, the Chancellor of Health Affairs for the University, and finally to the State Department for a meeting with the Undersecretary of State. From these meetings, there emerged an intent on the part of the healthcare community there to become a Center for Continuing Education for the Spanish-speaking world. They were already involved in providing programs in Spain since Spain does not have a D.D.S. program and physicians are trained as dentists. The ICD Fellows there have adopted this program as their Constituent Project. They have asked for our support and the Executive Committee has approved the intent of their program subject to presentation of their proposed plan for approval by the Board of Regents at their meeting in July.

Members of the College met with ADA President Sadoris' Advisory Committee on Global Oral Health to discuss and identify strategies in carrying out the objectives of the project. The College has been asked to play an important role in this study with the purpose of engaging in collaborative efforts with other Sections to increase our contributions and establish new horizons for the College.

The Projects Program of our Section falls into one of three categories—those administered by the Central Office, those by the Board of Regents and Committees, and those by the Constituents. Dr. Lloyd Phillips, chairman of the Projects Committee gave a very definitive and indepth report to the Executive Committee concerning the status of our projects program. He has asked for suggestions and guidance from the members of the College before his committee's final report is submitted to the Board of Regents in July. I cannot overemphasize the value of this committee's work.

Every three years, our Section conducts a Leadership Conference that we call the Mini-Convention. It is held to keep the Officers, Regents, and Deputy Regents up to date concerning the activities of the College. Its specific intent is to assist the Deputy Regents in the management of his or her Constituent. This year it is to be held in conjunction with our July Continuing Education Program at Epcot Center in Orlando, Florida. This is a grand opportunity for a family outing, learning, and fellowship. You all are invited to come.

Many Fellows in our Section will be journeying with other Sections to participate in the joint meeting between the ICD and the Australian Dental Association during May. This promises to be an outstanding travel and learning experience.

Rear Admiral Richard Shaffer, currently commanding the Naval Dental Corps, has been appointed by the Board of Regents to replace retiring Registrar and Secretary General, Franklin M. Kenward. This transition is to begin following the annual convocation and finalize January 1, 1989. It will officially establish our new Central Office in Washington, DC. Both men have outstanding records of achievement and the College is most fortunate to have had the most capable guidance of Dr. Kenward who has been a good will Ambassador around the world expanding the scope of the College. We can look forward to the continued progress and development through the creative, administrative, and diplomatic skills of Dr. Shaffer.

(Continued on page 6)

President USA Section

Among the unsung heroes of our Section is our Executive Secretary, Dorothy Casattly who is the cheerful and helpful voice at the other end of the line when we call Central Office. She keeps a constant flow of well organized and detailed communications between the Central office and us which helps to bring us all closer together into a more effective working unit. Many thanks from us all, Dorothy!

I ask you to begin making your plans for the Annual Meeting in Washington and as you might expect, an outstanding program is in store for you at our Headquarters, the Washington Sheraton Hotel. Being in our Nation's Capitol will be a special treat and should be a reminder to us all concerning our responsibilities of leadership as we all are well qualified in that role. We need to look carefully at those around us and select potential candidates for the College who can fill the ranks left open by fallen or departing leaders. We have the good fortune of being members of one of the world's greatest professions, made possible by outstanding leaders who give so unselfishly of their time and talent. As we enter an election year for our Nation's President, we look about us at the furor of activity surrounding that event; the tremendous expenditure of time, money, and human effort to elect one man to lead us. It is most gratifying to know that our profession reaches out to its members and invites their participation in becoming leaders, requiring only a small expenditure of their time, dedication, and talent.

There was once a vital and dedicated Presidential Candidate who took to the campaign trail, but his efforts were violently ended along the way before the trail's end. However, he left behind words that cry out from the pages of history as a lesson to us all:

"You are living in one of the rarest moments in history—a time when all around us the old order of things is crumbling and a new world society is painfully struggling to take shape.

"If you shrink from this struggle and the many difficulties, you will betray the trust which your own position forces upon you. You live in the most privileged nation on earth. You are the most privileged citizens of that privileged nation; for you have been given the opportunity to lead. . .

"You can use your enormous influence and opportunity to seek purely private pleasure and gain. But history will judge you, and as the years pass, you will ultimately judge yourself, in the extent to which you have used your gifts and talents to lighten and enrich the lives of your fellow men.

"In your hands lies the future of your world and the fulfillment of the best qualities of your own spirit."

Robert F. Kennedy
University of California
October 23, 1966

Knowing and understanding what your College is doing is most important. We welcome your suggestions, and do not forget: THE FEE FROM ONE RESTORATION FROM EACH OF YOU WILL HAVE A SIGNIFICANT IMPACT ON OUR FOUNDATION. SO LITTLE GIVEN BY SO MANY CAN BE SO GREAT. MAKE A GIFT TO THE ICD FOUNDATION TODAY!

**Registrar
USA Section
International
College
Franklin M.
Kenward**

Franklin M. Kenward

The years have slipped by quickly. What was meant to be a period of adjustment has now become my "golden years".

At first it was difficult to learn so much—so many rules—so many names—so many faces. It has not become any easier. As all of you can attest when the absolute identification was necessary we turned to our wives to bail us out—and they did. My wife Marcia has played a big part in my ICD life. She proofread all my messages and carefully proposed better grammar, structure and style. (She will edit this.) She has taught me patience.

When a Selection Committee headed by Past President Woody Birthright offered me the position of Registrar I was first surprised and then curious. How would I fit and adjust to this new challenge?

The College had approximately 3,000 members. Westy Westerdahl (Registrar) had served so well and was extremely popular. However, most of the day-to-day operation of the College was in his head.

My first self-appointed task was to read every letter and piece of correspondence that was in the files. It was there that I got the "feel" of what the College was all about. Reading Ottofy's letters opened my eyes to his problem in forming the College. I got to know many of the greats of dentistry and their desires for the College began to come through to me.

The growing College needed to be more than a one-man operation. It needed to educate the leadership. The "mini convention" was formed to do just that. We called each of our officers and assigned them a topic. These included:

1. Duties of Officers
2. Evaluation of the membership
3. Goals and projects of the College
4. Financing student loans
5. Visiting scholars

Each member tackled his assignment and at the Greenbrier in West Virginia we met and exchanged our new information. Thus began the start of the training of the most knowledgeable leaders in any honorary organization.

In 1983 in St. Louis, Missouri we held our first Continuing Education meeting. After two days of eye-opening lectures by the faculty of Washington University of St. Louis we concluded our courses and celebrated by going to the night baseball game. The Pittsburgh Pirates beat the St. Louis Cardinals. We tried and succeeded in combining work, study, and play.

The years have gone by and we have held "mini-conventions" in the following places:

- | | |
|--------------------------------|----------------------------------|
| 1975—Greenbrier, West Virginia | 1984—Steamboat Springs, Colorado |
| 1978—Brainerd, Minnesota | 1988—Orlando, Florida |
| 1981—Snowmass, Colorado | |

I felt it was important to retrain our Officers, Regents, Vice Regents, Deputy Regents, and Counselors. Every three years seemed to be the ideal period to retrain so that both old and new officers could be properly informed and kept up to date on all College proceedings.

Continuing Education has become mandatory for licensure in many states. In response to this need we conducted our program in the following areas:

- | | |
|---------------------------|-----------------------------|
| 1983—St. Louis, Missouri | 1986—Williamsburg, Virginia |
| 1984—Washington, DC | 1987—Calgary, Canada |
| 1985—Monterey, California | 1988—Orlando, Florida |

We have always tried to keep it a work, study, play situation.

Improvements have come with training. We have grown to a worldwide membership of over 7,000. We have 11 Autonomous Sections and 1 International Section. We have not had to increase our dues since I assumed the office of Registrar and our treasury is very healthy. All functions of the College and all of its procedures are compiled in two complete books which are kept in separate places. All procedures are recorded. The records are also on computer tape which is updated daily.

My job is done. It's time to say goodbye.

So I leave you as of January 1, 1989 with an ongoing legacy of continued learning. I am reminded of Ottofy's own words. "To encourage the growth of knowledge and to promote its dissemination throughout the world."

God love you,
Franklin M. Kenward

USA Section Foundation

The ICD USA Section Foundation was chartered on January 22, 1986 as a not-for-profit corporation. The Foundation thus opened an important avenue for ICD Fellows to make such deductible gifts, donations, bequests and other such contributions to scientific and charitable causes selected and supported by the ICD USA Section. The foundation significantly adds to the already great stature and work of the ICD.

PURPOSE OF THE FOUNDATION

The constitution of the Foundation states that the purpose shall be exclusively educational, scientific and charitable and shall among other things include the following purposes:

- to encourage and assist worthy projects in the scientific dental research
- to encourage and assist graduate dentists in continuing education and the improvement of scientific knowledge and skills
- to encourage and assist dental students, graduate and post-doctoral students and pre-dental students
- to encourage and assist in the establishment of professional libraries for graduate dentists, graduate and post-doctoral students and dental students
- to further encourage, aid and assist dental students by establishing and maintaining a dental student loan program

FOUNDATION MEMBERSHIP

Membership in the ICD USA Section Foundation is open to all ICD Fellows in good standing and to other individuals who show interest in supporting the Foundation.

FOUNDATION CONTRIBUTION TAX STATUS

The ICD USA Section Foundation qualifies under law as a not-for-profit corporation. Contributions to the Foundation qualify as tax deductible to the maximum limits allowable by existing legislation governing charitable giving.

WAYS OF GIVING TO THE FOUNDATION

Substantial numbers of ICD Fellows give cash gifts to the Foundation. An annual contribution equal to the fee for one restoration is quite common. Many gifts are received as memorials honoring a deceased Fellow, loved one or friend. The Foundation sends an appropriate acknowledgment for each gift received.

Another way of giving is sometimes termed as "creative gift planning". Creative gift planning differs from outright giving. While the same assets may be used for both types of gifts, the creative gift is given through a legal instrument or contract. In some instances the principal of the gift may be used by the Foundation only after a term of years or the lifetime(s) of the income beneficiaries. The source of the gift is usually the capital reserves of the donor and is often given for the purpose of endowment. The benefits which accrue to the Fellows who utilize such creative gift arrangements are:

1. A charitable deduction based on the Foundation's right to receive the remainder interest.
2. A management-free annual income for the lifetime of the income beneficiaries;
3. Avoidance of long-term capital gains tax when the gift is funded with appreciated property;
4. Reduction in probate costs and low estate liability.

A gift to the Foundation makes a Fellow an active, working partner in the ICD USA Section now and always.

PLAN TO MAKE DONATIONS AND GIFTS OF MEMORIAM TO THE FOUNDATION. THIS IS AN OPPORTUNITY TO SUPPORT THE GOALS OF THE INTERNATIONAL COLLEGE OF DENTISTS. Cards are sent to the family for memoriams and thus your gift does double duty. Contact the ICD Center Office to make your gift.

**Joint Meeting of
ICD Executive
Council & USA
Board of
Regents**

The first joint meeting of the ICD Executive Council and the USA Section Board of Regents was held in Las Vegas, Nevada on October 8, 1987 for the purpose of selecting a new Registrar/Secretary General to take office January 1, 1989. Dr. Richard G. Shaffer was chosen to succeed retiring Registrar/Secretary General Franklin M. Kenward. There were 44 officials of the two groups present from all over the world.

Dr. Shaffer was selected for the position from a field of 16 candidates that were submitted to the Search Committee. Chairman Harold Eberhardt and committee members James Kerrigan, Paul Loflin, William Peters, Lloyd Phillips and William Spence interviewed 5 extremely well-qualified finalists before making their recommendation, which was accepted.

Dr. Shaffer, a graduate of Case Western Reserve School of Dentistry, comes to the College and USA Section after a distinguished career in the US Navy where he attained the rank of Admiral. He will continue living in Washington, D.C. which will be the new location of the Central Office of the College. He was soundly welcomed aboard by those present.

After the joint meeting, the USA Section Board of Regents held a separate meeting to consider business of the USA Section. At that meeting committee reports were received and discussed, membership was reviewed, meeting dates and places were selected, 1988 officers were elected (without expensive or exhausting campaigns) and miscellaneous business was addressed and concluded.

Convocation in Las Vegas

The new Fellows assembled for induction to the College.

53rd Annual Convocation

**Bally Grand Hotel
Las Vegas, Nevada
Friday, October 9, 1987**

L to R: President-Elect Sapp, President Hawkins and Registrar Kenward at the Convocation for new Fellows.

President Hawkins presents the College Key to an inductee.

The Fellowship plaques ready for presentation to the new Fellows.

L to R: Past President Hopkins, Regent Horiuchi and Editor Shumaker in the ready room.

President Hawkins presents one of the ICD's prestigious awards for dental journalism.

MASSACHUSETTS NEWS

It was standing room only at the ICD breakfast during a very successful Yankee Dental Congress in Boston. Mother Nature was very kind to us and the usual January snowstorm did not materialize to hinder the turnout. Regent **MINORU HORIUCHI** welcomed the members and introduced President **BAXTER B. SAPP, Jr.** who spoke to us on the goals, aspirations and accomplishments of the college. At the conclusion of his remarks, he was presented with a Paul Revere Bowl as a memento of his visit.

Fellow **JOE DiSTASIO**, ADA Speaker of the House, introduced ICD guests from around the country who joined us for food and fellowship and also helped make our organization one of which we can all be proud. The meeting was given an international flavor by the presence of Fellow **CHARLES TAGHER** visiting from Beirut, Lebanon.

It was a pleasure to see the men who have led our organization in the past continue to support us and to add to the meeting by their presence. Included were: Fellows **MURRAY GAVEL**, **JACK HEIN**, **JAMES KERSHAW**, and **RALPH LOBENE**.

Also joining us were new Fellows **LESLIE MILLER** and **HARRY TEMPLE**, who met with "seasoned" members **DAVID FARRELL**, **LEO TALKOV**, **THOMAS WINKLER** and **JOHN SAUNDERS** at the headquarters hotel.

The representation of Fellows from the New England states has been

increasing dramatically at our annual breakfast during the Yankee meeting, as it has become one of the top meetings in the country. Also seen enjoying breakfast were Fellows **ANTHONY TOLENTINO**, **ROBERT KITTEREDGE**, **LESTER GOLDSMITH**, and **JAMES SKILLINGS**, to name but a few who were present.

Family matters being important, Fellow **LAWRENCE DiBONA** is a very proud father now that daughter Christina is following in his footsteps and is studying dentistry.

Some recent accolades to local Fellows were the "James W. Etherington Award" to Fellow **PHILLIP WILLIAMS** and the "National Academy of Practice Award" to Tufts Dean **ERLING JOHANSEN**.

PENNSYLVANIA NEWS

Pennsylvania Fellows of the ICD are active in their profession through the ADA, dental education and many other organizations.

During the ADA Annual Session in Las Vegas, the following members of the PDA and ICD served on committees of the House of Delegates: Dr. **EUGENE CZARNECKI** of Ambler, chairman of the Dental Education and Health Committee. Dr. **JOHN B. LATHROP** of West Chester, member of the Reference

Committee on Credentials; Dr. **ROBERT S. RUNZO** of Pittsburgh, member of the Reference Committee on Communications, Membership and Marketing Services.

Newly-appointed ADA council and commission members serving three-year terms are: Dr. **ROBERT J. SMITH** of Pittsburgh, Council on ADA Sessions and International Relations; Dr. **RAYMOND R. LANCIONE** of Coraopolis, Council on Dental Materials, Instruments and Equipment; Dr. **EUGENE CZARNECKI** of Ambler, Council on Ethics, Bylaws and Judicial Affairs.

Continuing to serve on ADA councils and commissions are: Dr. **JACK H. NEFF**, Council on Community Health, Hospital, Institutional and Medical Affairs; Dr. **LESTER L. LEVIN**, Council on Dental Care Programs; Dr. **NATHAN D. APPLE**, Council on Dental Practice; Dr. **WILLIAM B. TRICE**, Council on Governmental Affairs and Federal Dental Services; Dr. **DONALD P. LAVELY**, Council on Insurance; Dr. **MARK J. PIACINE**, Joint Commission on National Dental Examinations; and Dr. **SIMON A. HORKOWITZ**, Commission on Relief and Disaster Fund Activities.

The following Pennsylvania dentists are serving as consultants to various ADA councils; Dr. **H. WILLIAM GROSS** of Allentown, Council on Community Health, Hospital, Institutional and Medical Affairs; Dr. **W. ARTHUR GEORGE** and Dr. **YAHIA H. ISMAIL**, both of Pittsburgh, Council on Dental Materials, Instruments and Equipment; and Dr. **JAMES W. SMUDSKI** of Pittsburgh, Council on Dental Therapeutics.

Two Pennsylvania dentists recently retired as council members: Dr. **NICHOLAS D. SACCONI**, Council on Dental Practice; and Dr. **MARVIN SNIDERMAN**, Council on Dental Research.

Dr. **EMANUEL H. MALAMED** was recently promoted to clinical professor of periodontology at Penn.

Dr. **ANDREW E. MICHANOWICZ** of Pittsburgh participated in the annual meeting of the Peruvian Society of Endodontics.

Dr. **KAY F. THOMPSON**, PDA Secretary, is a candidate for election to the Board of Trustees of the University of Pittsburgh in the March 1988 election.

Dr. **ANDREJS BAUMHAMMERS**, clinical professor of periodontics at Pitt,

gave a continuing education course on "Endosseous Implants in Periodontal Practice" at the annual meeting of the American Academy of Periodontology in Denver.

Dr. **JOHN B. LATHROP** of West Chester is the District 3 Regent of the International College of Dentists. Dr. **NICHOLAS D. SACCONI** of Scranton is the Vice Regent; Dr. **RAYMOND LANCIONE** of Pittsburgh is the Deputy Regent; and Dr. **MARVIN SNIDERMAN** is the Editor.

Serving as Counselors of the International College of Dentists are: Dr. **EUGENE S. CZARNECKI**, Ambler, Dr. **ARTHUR KRAUSE**, Erie, Dr. **LESTER L. LEVIN**, Aston, Dr. **ALEX J. McKECHNIE, Jr.**, Camp Hill, Dr. **R.E.V. MILLER**, Easton, Dr. **MARVIN SNIDERMAN**, Pittsburgh.

The following dentists were elevated to Fellowship in the International College of Dentists at a convocation during the ADA meeting in Las Vegas: Dr. **JOHN R. BECK** of Carlisle, Dr. **O. HECKATHORNE, Jr.** of Beaver, Dr. **KIYOSHI S. NAGAHASHI** of Ambler, Dr. **RICHARD C. RUSHMORE** of Scranton, Dr. **DAVID R. RUSSELL** of Millersburg, Dr. **HARRY A. SNYDER** of Palmerton, Dr. **JOHN W. STAUBACH** of York, Dr. **KENNETH W. STOUT, Jr.** of Lafayette Hill, Dr. **GEORGE A. TROUT** of Shrewsbury, Dr. **JOHN J. TULLY** of Gettysburg, and Dr. **DANIEL A. WALTING** of Nanticoke.

On recommendation of the Bicentennial Commission of the University of Pittsburgh, the Bicentennial Medallion of Distinction was conferred on: Dr. **MARVIN SNIDERMAN**, Dr. **KAY THOMPSON**, and Dr. **CHARLES F. McDERMOTT** at the annual meeting of the Dental Alumni Association at Pitt.

Dr. Wesley W. Posvar, president of the University, said, "They were honored for their distinguished accomplishments and service to the community which have brought honor to the University."

Dr. **W. ARTHUR GEORGE**, Dr. **WILLIAM B. TRICE**, and Dr. **GEORGE W. CAMPBELL** previously received the Medallion.

DISTRICT OF COLUMBIA NEWS

The fall meeting of the District of Columbia Chapter was held on Tuesday, November 17, 1987, at the Officer's Club of the National Naval Medical Center in Bethesda, Maryland. Well attended, particularly by many spouses and guests, the entire program for the evening was interesting and entertaining.

Our featured speaker was James H. Boren, Ph.D. An erudite individual who holds five earned degrees, and is the author of five books, "Jim" is an internationally acclaimed humorist whose remarks reflect his extensive background in business, government, and education as he exposes the foibles of civilian corporations and government agencies and bureaucracies. Described by *The Washington Post* as a "gadfly political activist", his tongue-in-cheek message extols the virtues of "The Bureaucrats Creed"— "When in Charge, Ponder; When in Trouble, Delegate; and When in Doubt, Mumble." As a pompous advocate of cutting red-tape lengthwise, Jim preaches "Fuzzifying" goals and concepts to allow for loopholes and escapes. His ultimate advice is "If you're going to be a phony, be sincere about it."

His hilarious talk had everyone laughing and many agree that we should have more meetings of this kind in the future. In addition, Fellow **JIM KERRIGAN**, recently installed as President-Elect of the U.S.A. Section of the International College of Dentists presented a brief report on activities and programs of the College. Also, Fellow **TONY CULOTTA**, Regent of the Fourth District, reported on highlights of the recent meeting in Las Vegas.

KENTUCKY NEWS

The Kentucky Section held its annual joint breakfast meeting with the American College members at the Galt House in Louisville, Kentucky on April 5, 1987. ICD served as the host with 60 Fellows in attendance. The speaker for the morning was Dr. **WALLACE MANN**, Dean at the University of Louisville. Dr. **CHARLES CARTER**, Deputy Regent, presided at the meeting. Dr. **JOHN MINKS**, Counselor, presented Professionalism Awards to a Senior student from each school: The University of Louisville and the University of Kentucky.

MISSOURI NEWS

The 1987 annual winter dinner meeting was held on Wednesday evening, February 18, 1987 at the University Club in Brentwood. Eighteen Fellows were in attendance to hear our honored guest

and speaker, Fellow **WILLIAM HAWKINS**, President of the USA Section of the College from Phoenix, Arizona. Regent **NEWTON** presented his report to the members in attendance.

The Section met in Bull Shoals, Arkansas at Chastine's Resort from May 17-20, 1987. Twenty-six Fellows were in attendance at this 28th consecutive fishing and fellowship meeting. This meeting featured three banquets and three evening meetings. Bass fishing was rather poor but the Westerdahl Trophy and the Team Trophy were presented.

The Convocation and Induction ceremony in Las Vegas was a great success. New Fellows from Missouri were **PATRICK J. FERRILLO**, **DAVID L. DETAR**, **JACOB J. LIPPERT**, **JOHN J. MILLER**, **RICHARD J. SMITH** and **JERRY L. YOUNG**.

We have seven (7) Fellows-Elect for the 1988 ICD meeting in Washington, D.C. They are **JOSEPH HOENICH**, **JOSEPH LAFFLER**, **HERBERT MAGRUDER**, **LOU NOLAN**, **DOUGLAS ROSS**, **ROBERT WEST** and **PATRICK WILSON**.

Our 1988 annual St. Louis winter meeting was held on Wednesday evening, March 2, 1988 at the University Club in Brentwood, Missouri. Our honored guest was **GEORGE D. SELFRIDGE**, retiring Dean at Washington University School of Dental Medicine and Past President of the International College.

We all share pride in the activities and accomplishments of Missouri as a Section of the International College. Special accolades go to our officers, **LEO S. SHANLEY**, **VINYARD KIES**, **CLINTON HAYNES**, **TERRY WILLIAMS** and **OTHO WASHBURN**. As Bartles and Jaymes say, "Thank you for your support."

TENNESSEE NEWS

The annual meeting of the Tennessee Section was a joint breakfast with the American College members at the Opryland Hotel, Nashville, on Wednesday, June 10, 1987. Dr. **DON CHASE** presented a paper, "Advance Technologies and Curriculum Evolving in the Dental Profession." Regent **W. NEAL**

District Reports

L to R: Bill Harris, Joseph Devine, Larry Kerr, Mike Overby, Joe Cappuccio.

NEWTON was an honored guest during the entire meeting of the Tennessee Dental Associations. Dr. **JOE LAMBERT**, Deputy Regent, introduced Regent Newton to the 86 Fellows in attendance for his presentation.

WEST VIRGINIA

The West Virginia Section had their annual breakfast meeting on July 31, 1987 in the McKinley Room at the Greenbriar Hotel. A total of 21 members and guests were in attendance. The present officers were elected to serve another year. The guest speaker was Dr. **JOSEPH DEVINE** of Cheyenne, Wyoming, President of the American Dental Association. Dr. **BILL HARRIS**, Deputy Regent, presided at the meeting.

I am happy to announce that the new Deans at Southern Illinois University and Washington University are both Fellows; Dr. **PATRICK FERRILLO** and Dr. **DAVID BENSINGER**. Best wishes to them both. Dr. **MICHAEL REED** of UMKC was made a Fellow in 1986.

This will also be my last year as Regent. It has been a great pleasure to work with and for ICD the last 18 years; six years as Deputy Regent, six years as Vice-Regent and now six years as Regent.

W. NEAL NEWTON
Regent

The West Virginia Section of the International College of Dentists was convened for the 1987 annual breakfast meeting on Friday, July 31st in the McKinley Room of the Greenbrier Hotel. A total of 21 members and guests were in attendance.

Our guest list and fellow members from other sections included some very distinguished dignitaries, who had blessed the "poor Appalachian region" with their presence, especially one, the illustrious leader of the entire ADA membership—Dr. "Cowboy" Joe Devine and our own sixth district trustee, "General" Mike Overbey.

Members present were: **BILL HARRIS, FRANK STEVENS, NAT KENNEDY, SCOTTY CAMPBELL, JIM CAVENEY, JIM MENDENHALL, JACK HERLIHY, PAUL LOFLIN, TED**

STEVENS, DINO COLOMBO, HENRY BIANCO, FRED WHITE, CHARLIE LAKE, MIKE JOSEPH, BOB BIDDINGTON.

Guests present were: **JOE DIVINE**, Wyoming, President of the ADA; **MIKE OVERBEY**, Tennessee, Trustee 6th District ADA; **MICHAEL PERICH**, Illinois, Member of the ADA Staff, Clinician at WVDA; **JOE CAPPUCCIO**, Maryland, Past President, ADA; **LARRY KERR**, New York, Past President ADA; **FRANK BOWYER**, Tennessee, Past President ADA.

The invocation was given by Dean **BOB BIDDINGTON**. Following the buffet breakfast, Deputy Regent **BILL HARRIS** opened the meeting at 7:45 and introduced our guests.

Since Dino Colombo was attending his first meeting of the section, as he missed last year's meeting, he was recognized by those in attendance.

Counselor's Report: 28 paid-up members, no delinquent members. Last year membership was 30. This year in Las Vegas two new members were inducted. They are **RICHARD HART** of Morgantown and **DAN JOSEPH** of Wheeling. **LEO FLECKENSTEIN's** paper work did not clear the central office in time and he will be inducted at the Washington meeting in 1988.

The present officers serve for another year: Deputy Regent, **BILL HARRIS**; Counselor, **FRANK STEVENS**; Editor, **PHIL PETERS**.

Deputy Regent Harris reported that Fellow Loflin, a past president of the U.S.A. Section, will be assuming the chairs that will lead to his being elected President of the College-at-Large. Congratulations were extended to Paul on behalf of the section.

Before starting the program Deputy Regent Harris asked all those in attendance to stand and observe a moment of silence in the memory of **CLARENCE COTTRILL** who passed away in December.

Bill Harris then introduced the program for the meeting. . . Dr. Joseph Devine of Cheyenne, Wyoming, President of the American Dental Association.

welcome ELLEN PAGANO, President, Auxiliary to the American Dental Association; and NAOMI HAYES, AADA District 4 Trustee.

Vice-Regent, **PAT METRO**, officiated with able assistance from Deputy Regent, **TOM RYAN**. Our thanks go to TOM for his many efforts in making this annual ICD dinner a continuing success. Guest speaker, **BRENDA HARMAN**, Assistant Secretary, ADA Council on Insurance, gave an informative and well-delivered discussion of current concerns in the area of insurance and related matters.

Fellows-elect **A. THOMAS INDRE-SANO**; **H. ANDREW JOHNSTON III**; **HARRY S. RZEPKA**; **RICHARD R. SALTSMAN** and **DENNIS W. TOMMASON** were introduced and welcomed. These men were inducted into fellowship at the Convocation in Las Vegas on October 9, 1987.

Cincinnati Fellow, **JOHN W. REGENOS**, received the Ohio Dental Association's Distinguished Dentist Award during the Annual Callahan Awards Luncheon on Friday, September 12, 1987. The Distinguished Dentist Award is the Ohio Dental Association's highest honor. JOHN was also the recipient of the Cincinnati Dental Society's 1987 Meritorious Service Award. JOHN'S contributions to dentistry at all levels have enriched the profession and typify the qualities of college fellowship.

ILLINOIS NEWS

Joining the Chicago midwinter meeting's move to north Michigan Avenue, the annual luncheon of the Eighth District was held Monday, February 22, 1988 at the newly opened Fairmont Hotel. And judging by the many favorable comments on the food and surroundings, it seems safe to predict that this annual event has found a new home.

BAXTER SAPP, President of the U.S.A. section, commented on the initiative by ADA President **JIM SADDORIS** to study means by which we can improve global oral health. "We have

been asked to play a major role in this effort and we welcome the opportunity for which we feel we are well qualified."

Sapp also complimented **TOM EMMERING**, retired Regent from the eighth district, and his committee for the development of the International College of Dentists USA Section Foundation, founded to support dental education on the undergraduate, graduate and post-doctoral levels. Emmering will serve as the foundation's first president.

Eighth District Regent Jim Ridlen welcomes Admiral Richard Shaffer to Chicago. On January 1, 1989 Shaffer will become Secretary-General of the College.

In a recent letter to the members of the USA section Sapp commented, "The fee from one restoration generously given by each Fellow would launch the foundation into a remarkably successful first-year program." Following his own advice, Sapp then presented Emmering with a check, the fee from one of his restorations and urged everyone to do likewise.

FRANK KENWARD, Secretary-General of the College and Registrar of the USA Section, spoke briefly on the forthcoming ICD trip to Sydney, Australia in conjunction with the Australian Dental Congress. The tour also includes Cairns and the Great Barrier Reef, the World's Fair in Brisbane and winds up with side-trips to New Zealand and Fiji.

Kenward has submitted his resignation, effective January 1, 1989. His successor, Rear Admiral **RICHARD SHAFFER**, was present before the luncheon to meet the early arrivals and accept congratulations. Also present was **BILL HAWKINS**, immediate Past

District Reports

President of the USA section, and presently, editor of the College.

Fellow **BERNIE GROTHAUS**, President of the Chicago Dental Society, welcomed the attendees to Chicago and to the Fairmont, Hyatt and Chicago Marriott hotels, the new location for the mid-winter meeting. The speaker was Mr. Keith Barrett of Nebraska whose topic was "Laughter—Shortest Distance Between Two People." The new Eighth District Regent, **JIM RIDLEN**, presided over the meeting.

PAESANI advanced to Vice Regent, **RICHARD KOZAL** is the new Deputy Regent and **BILL KORT** remained as Secretary-Treasurer.

MICHIGAN NEWS

The Michigan section of the International College increased its membership by ten at the formal induction ceremonies held in Las Vegas last October. Those inducted were: **ARNOLD BAKER, ROLAND HUTCHINSON, WILLIAM JENNINGS, EDWARD KANE, CHARLES KELLY, ARNOLD KOCSIS, ARNOLD MOROWA, DONALD NITKIN, JOHN WILLOUGHBY,** and **ROBERT STEIMAN.**

Michigan ICD's annual meeting will be held April 24th in Grand Rapids. The meeting will be held in conjunction with the Academy of General Dentistry. ICD awards will be presented to an outstanding senior dental student from the University of Michigan and the University of Detroit Dental Schools. **MICHAEL SCOTT WOJCIK** has been selected from the University of Michigan.

Foreign students from both dental schools will be invited to attend the annual honors banquet.

MEMBERS IN THE NEWS:

Fellow **JOHN HINTERMAN** is President of the Michigan Dental Association after having served many years as the Editor of the Journal of the Michigan Dental Association.

Fellow **JOHN WILLOUGHBY** was elected to another term as the Secretary of the Michigan Dental Association. Fellow **ROBERT STEIMAN** was elected President of the Michigan Association of Endodontists and the Council of Specialty Presidents.

Fellow **LEON HERSHFUS** has been appointed the President of Michigan's State Board of Dentistry and to the Dental Advisory Task Force which is part of the State of Michigan's Department of Social Services.

Editor

WISCONSIN NEWS

Spring is eagerly awaited by all Wisconsin members of the International College. Our next business and professional meeting will occur coincidentally with the Wisconsin Dental Association's Annual Meeting in May. It is felt by the Wisconsin membership

that the College members might be interested in the enthusiastic involvement our members have shown in activities outside of their dental careers.

With that in mind, we would like to share with the general membership some of these activities. Dr. **DANIEL GREEN** of Beloit, Wisconsin is the owner and chief everything of a minor league baseball team. The team, called the Beloit Braves, is part of the Milwaukee Brewer's farm system and Dr. Green not only runs the successful operation but also derives great enjoyment from seeing the young players develop. With the coming of spring and with it the start of spring training this becomes Dr. Green's most favorite time of the year.

While Dr. Green is preparing himself and his team for spring training, Dr. **DAVID BARRETT** is eagerly awaiting spring because it is the time he must begin spraying his apple orchard. Dr. Barrett is the distinguished grower of some of Wisconsin's finest apples. This is the time of the year he spends preparing his horticultural strategy to enhance his apple crop.

Dr. **BILL NEQUETTE**, an enthusiastic collector of vintage automobiles, spends much of his time looking for classic Cadillacs and Lincolns. With the coming of spring the intensity of his search increases. Should fellow members of the college have similar pursuits, do not hesitate to share those interests and compare notes with Dr. Nequette.

Dr. **JERRY WALKER** is an accomplished sail boarder. He can be seen sailing his board on Lake Michigan from spring until fall. When the water is cool in the spring, Dr. Walker will be wearing his rubber wet suit in order to maintain body temperature. But even the chilly air and cold water of a Wisconsin spring do not prevent him from pursuing the hobby he has such a great love for.

While Dr. Walker is waxing his sail board, Dr. **DAVID WATSON** spends his time during the winter doing restorations of classic wooden power boats. Dr. Watson's hobby was recently chronicled in the Milwaukee evening newspaper. Dr. Watson's skillful hands have been responsible for the restoration of several classic wooden-hulled inboard power

District Reports

boats. With the coming of spring he will have an opportunity to try out the results of his winter-long art work.

These pursuits by members of the Wisconsin Section have not only enriched the lives of the men mentioned but have also served as wonderful conversation topics during our section get-togethers. We look forward within our groups to discussing these pursuits during our next business meeting. Should other members of the College have similar pursuits, you are encouraged to contact the abovementioned fellows.

IOWA NEWS

The Iowa Section of the ICD held their annual breakfast meeting at the Savery Hotel in Des Moines, Iowa, May 4th in conjunction with the Iowa State Dental Association meeting. Dr. **DEAN RAY**, Deputy Regent presided and the invocation was given by Dr. **LeROY STROHMAN**. There were 52 members and guests attending. Out-of-town guests included Dr. **DICK SCHOESSLER** of Pierre, South Dakota, 10th District Regent and Dr. **JAMES SADORIS**, President Elect of the American Dental Association. Dr. **KEITH THAYER**, Iowa Regent presented the ICD student award to Joe Cristoforo, a senior at the University of Iowa School of Dentistry. This award is presented to the student who has shown exceptional progress during this four years of dental school and also possesses the qualities that characterize an individual who you would expect to show promise in the practice of dentistry in the future.

The program was given by Dr. LaVern Wintermeyer who is the Chief of the Bureau of Epidemiology and Infectious Disease Control at the Iowa State Department of Health. Dr. Wintermeyer discussed various situations throughout the State of Iowa that had come to the attention of his department and he included a discussion of AIDS and hepatitis as they pertain to the practice of dentistry in his presentation.

A memorial was conducted for those ICD members that passed away since our last meeting.

D. DEAN RAY
Deputy Regent

MINNESOTA NEWS

The Minnesota Chapter has had a very successful year. At the annual meeting in October five new members, Drs. **HEDDIE O. SEDANO**, **JAMES F. BUSSEN**, **LAWRENCE H. INGERS**, **MOHAMMEED ELDEEB**, and **RODNEY CASAD** were inducted into the College. We extend our congratulations and our welcome to these new Fellows.

In December the second annual joint dinner of the International and American Colleges of Dentists was held. A large crowd attended and everyone had a wonderful time. Dr. **ANTHONY ROMANO**, a private practitioner from Pine City, Minnesota, and a member of both Colleges presented a delightful talk entitled "A Change of Pace" in which he highlighted the beauty of the environment that surrounds us all if only we take time to look.

The Chapter is now planning for the annual meeting of the Minnesota Dental Association at which time the business meeting for the International College of Dentists will be held.

NEBRASKA NEWS

The annual fall meeting of the Nebraska Chapter of ICD was held September 5th, 1987 in Lincoln, Nebraska. Twenty five Fellows were present.

The meeting was conducted by Fellow **PAUL HOLM**. Secretary **MYRAN PUDWILL** read the report of Deputy Regent **HARLEY BATIE** who attended the ICD meeting last summer in Canada and highly recommends that each of us consider attending this meeting next year.

Fellow Paul Holm reported on the SELECT Program which is to identify individuals interested in the dental profession and offer guidance in pursuing a career in dentistry. Volunteers were asked for to work in this area.

SOUTH DAKOTA NEWS

The South Dakota Section held its annual breakfast meeting during the annual session of the South Dakota Dental Association on May 19, 1987. Seventeen members were present, including ADA Tenth District Trustee **DICK SCHOESSLER** and **JIM CLARK** of Iowa, who is a candidate for that position when it becomes vacant next year. Routine business was carried on during the meeting.

L to R: Fellows John Hicks, Rodney Casad and Theodore Ritter.

NORTH DAKOTA NEWS

North Dakota has been more active in recent years as evidenced by induction of three new members in the Class of 1987—Dr. **JOHN HICKS**, Fargo, Dr. **RODNEY CASAD**, Wahpeton, and Dr. **THEODORE RITTER** of Williston.

Class of 1988 will include **PAUL ABRAHAMSON**, Fargo; **GERALD STORDAL**, Minot; and **O.C. NORD** of Grand Forks.

It is with deep sadness we report the death of long-time member **C.O. FERGUSSON** of Jamestown, North Dakota.

An ICD social and dinner was held January 15 at the Jamestown Elks Club as a preliminary to the North Dakota Dental Association Midwinter Meeting. It was a great success and we hope to make it an annual event.

REED E. SANFORD
Editor

Fellow **BOB BARDEN** was elected President-Elect of the South Dakota Dental Association, Fellow **PAUL TORGERSON** has been elected President-elect of CRDTS, Fellow **WARREN SEWELL** is the Honored Guest of the South Dakota Dental Association this next year, Fellow **PAUL REINKE** has been made a member of the ADA Council on Sessions and International Relations. Fellow **HERMAN JANSSEN**, a long time Secretary of the South Dakota Dental Association, died recently. He was 87 years old.

OREGON NEWS

The Oregon Unit concluded a successful 1987 with its annual November Gourmet Dinner, planned and officiated by Deputy Regent, **RONALD J. TROTMAN**, at Portland's Riverside Golf and Country Club. The purely social event did provide an opportunity to reflect upon our other two major annual events.

Oregon's premier forensic dentist. The evening dinner was highlighted by Fellow **MIKE BUCKMAN**'s slide presentation of his three-month dental missionary call to India, a professional endeavor of the heart.

Our 1987 honorees include: Fellow **BERNE HOWARD** named a Diplomate by the American Academy of Gnathologic Orthopedics and Fellow **KEN**

Deputy Regent Ron J. Trotman challenging the Oregon Unit toward further and greater accomplishments.

Fellows George A. Ronning; Ben W. Curtis, past Oregon Dental Association President; Orville T. Boyle Jr.; and Richard T. Naughton, President of the Oregon Dental Association at the Gourmet Banquet.

Regent Lon D. Carroll addressing the Oregon Unit with greetings from the College.

The April ICD breakfast during the Oregon Dental Association annual meeting kicked off 1987 with 63 Fellows updated by Regent **LON D. CARROLL** and Deputy Regent **RON TROTMAN** about the College. In 1988 a new event, Luncheon for Learning, will be undertaken with the Oregon Unit of the American College of Dentists where a Fellow of either College will host a lunch table for the discussion of a specific professional topic. This professional event, Chaired by Fellow **WALTER N. JOHNSON**, is seen as another excellent vehicle to further serve our profession.

BERG honored as 1987 Oregon General Dentist of the Year by the Oregon Academy of General Dentistry. In October 1987, we welcomed our new Fellows of the ICD **DALTON L. COOLEY, BEN W. CURTIS, ROBERT N. DOW, ROBERT Y. FARNHAM, CHARLES A. GUTWENIGER, RICHARD T. NAUGHTON**, and **CARL B. VORHIES** who are men of leadership, skill, and great distinction.

GEORGE A. RONNING
Editor

Our August Retreat at Salishan Lodge on the Oregon Coast allowed Fellows **CHARLES GUTWENIGER** to speak on Periodontics and the effects of cavitation upon dental structures; **RON TROTMAN** to demonstrate and speak upon effective barrier controls against communicable diseases; **LOUIS EPPLETT** to advise us on health considerations in foreign travel, a subject of significance; and **WILLIAM ALEXANDER** to share the experiences and knowledge which has made him

WASHINGTON NEWS

The Washington State Chapter of ICD continues to prosper. We are at this time, planning a breakfast meeting to be held in conjunction with our State Scientific Session May 20th, 1988. As usual, our meeting will be held in the famous "Space Needle" of World's Fair fame. Incidentally, under the direction of Deputy Regent **JOHNNY JOHNSON**, our fall gala gourmet dinner-dance was a monumental success. It was held at the Seattle Golf and Country Club, whose long green fairways are the most beautiful anywhere. At this affair, our new Deputy Regent **BURTON GOODMAN** of Tacoma was introduced. He assumed the chair on January 1st.

We continue to attract the best to our membership. The last two years we have filled our quotas with the young and not so young—all to enhance the quality of ICD. This past year **ROBERT McCARTER** of Seattle and **JOHN C. GOULD, Jr.** of Tacoma have become Fellows. The new members have been honored to be invited, and we that they have accepted.

The College suffered a great loss when member **BERNARD JANKELSEN** passed away this past year. His countless contributions to the Science of Dentistry will not be forgotten.

The new leadership team for the current year is as follows: **BURTON H. GOODMAN**, Deputy Regent (Tacoma); **GEORGE CHATALAS**, Treasurer & Counselor (Seattle); **HARVEY LOSH**, Editor (Seattle); **CLIFF CALDWELL**, Counselor (Spokane); **GEORGE WOODS**, Counselor (Spokane); **ROY HOERSTER**, Counselor (Seattle).

KANSAS NEWS

The Kansas Chapter of the International College of Dentists held its annual meeting in Kansas City during the University of Missouri at Kansas City School of Dentistry Alumni meeting on Friday, February 26, 1988. Forty-four Fellows and guests were present at the luncheon meeting which was held jointly with the American College.

Fellow **MIKE BABA** introduced attorney J. Joseph Morris who discussed the value of planning and trusts to help reduce estate taxes. The attention given him showed the interest in his topic.

Fellow **MICHAEL REED**, from Missouri and Dean of UMKC School of Dentistry, joined Fellow **T. J. HOWARD**, Colorado, and ADA district 12 trustee **J. P. CHANEY, Jr.**, Arkansas, as out-of-staters.

Deputy Regent **JOHN ANDERSON** introduced Fellows-elect **STEVE BROTHERRSON** and **HAROLD SCHEER**.

On a sad note, a mement of silence was observed in memory of former Deputy Regent **RICHARD KEIM** who passed away last year.

Attendance at the annual meeting has been increasing yearly and we look forward to an even larger meeting next year.

On October 8, 1987, Fellow **S. ORLANDO SOMERS** and his wife, Harriet, were honored by UMKC School of Dentistry at the dedication of the S. Orlando and Harriet Somers Clinic. The clinic will be aided by a trust fund established by the Somers to support the school's Advanced Education in General Dentistry Program. The trust will provide stipends for Advanced Education students in restorative dentistry and loan funds for predoctoral students.

JOHN B. ANDERSON

LOUISIANA NEWS

The New Orleans Dental Conference was the setting for our annual meeting on Friday, August 28, 1987. A most enjoyable luncheon was held along with our friends in the American College of Dentistry. Afterwards a business meeting was held by the ICD.

The F. Harold Wirth Memorial Fund has been established. Pictured from left to right are Dr. Jack H. Rayson, Dean of the Louisiana State University School of Dentistry, Mrs. Sybil Wirth and Dr. Emmett Zimmerman. A check was presented to the LSU School of Dentistry to go towards the fund on behalf of the 1987 New Orleans Dental Conference of which Dr. Zimmerman was general chairman. The conference was dedicated to the memory of Dr. Harold Wirth.

The first order of business was an election of officers for the coming year. Our President, **BOB CHARBONNET**, welcomed incoming President **CLAY HUNLEY. V. LIBERTO** was elected Vice President; **MARVIN CAVALLINO** elected secretary-treasurer, and yours truly, **NED GANUCHEAU** reelected as editor.

Attending was our Regent, **JOHN CARMICHAEL** of Oklahoma and our Deputy Regent, **ROSS De NICOLA** of Baton Rouge, Louisiana.

The program for the meeting was an excellent presentation by Fellow **JACK CASSINGHAM**. Jack, an assistant professor at LSU School of Dentistry, is the area representative to the SELECT Program for the ADA. The SELECT Program is sponsored jointly by the ADA and the AADS. It is a 1.2 million dollar effort to induce young people of good academic standing to consider dentistry as a career.

At the conclusion of the program the meeting was adjourned. Gossip, scuttlebutt and story telling was now the order of the day!

SKIP BUFORD of ShrevePort is to succeed Ross De Nicola as the next President of the LDA at the annual meeting in April. Vincent Liberto is running for President-elect as well as Jack Cassingham for the seat of Secretary-Treasurer. Ross has done an outstanding job as President. His forte and best accomplishments, both now and prior to his taking office, were in the legislative arena. Our sincere thanks to Ross for a job well done!

JOE LAWRENCE was in town recently from his retirement in Florida. He was at the dental school helping with the Perio review course.

Past Regent **FRANK HERBERT** is now well, alive and svelte after a change in his life style precipitated by a heart attack. Boy, you should hear him rattle off the facts and figures on triglycerides, cholesterol, diet, exercise and all that! Glad to see that Frank is doing so well.

It seems that **FRANK ABADIE** went to see Frank shortly after he was admitted to the hospital. Would you know that Frank Abadie developed sympathy pains and was also admitted for observation. Fortunately, everything was all right!

EDMOND J. GANUCHEAU, Jr.

UTAH NEWS

Our Utah section of the International College met in Salt Lake City on Friday, February 5th in conjunction with our Utah State Dental Association annual meeting. All members were accounted for, twenty-five were present and the others had sent excuses.

Our special guests were Dr. **MIKE OVERBY**, President-elect of the ADA and Dr. **BERT Y. HAYASHI** ADA 14th District Trustee. Other guests were our two candidates for membership to the International College—Dr. **CLAIR HOPKINS** and Dr. **RICHARD PETTY**. Dr. Petty is our present state President and Dr. Clair Hopkins is our President-elect.

Our two Utah delegates at large to the ADA who both have national committee appointments are Dr. **JOHN MATIS** and Dr. **CHARLES FOSTER**. They are both making their presence felt in our national organization.

Dr. Overby talked to us about his goal to pay close attention to the ADA budget and to fight being controlled by the Federal Trade Commission. He wants to do all he can to help us hold to our professional ideals. Dr. Hayashi brought his usual encouraging message, and the report of major items being considered on a national level of the ADA. Dr. Foster reported on his experiences at the Canadian International meeting. He was impressed with the meeting. We discussed other International College meetings held in China, St. Louis and Orlando. We appreciate the special meetings the International college sponsors.

The past and present leadership to the Utah Dental Association are members of the ICD Our International College meetings that are held each year bind us together as an organization.

One of our goals of the ICD Utah group is to greet new young dentists coming to practice in our state, and to encourage them to set high standards of practice as well as to involve themselves in organized dentistry. We also plan to encourage all dentists in Utah to become involved in their communities in giving service.

SOUTH CAROLINA NEWS

The Myrtle Beach Hilton will host a luncheon combining both Fellows of the ACD and the ICD on May 13, 1988. The annual ICD "Student of the Year" award will be given to a scholar from the College of Dental Medicine, Medical University of South Carolina.

The year 1987 saw one South Carolina dentist inducted as a Fellow in Las Vegas. We welcome **MILLARD DUNKIN** as a valued new member.

JOSEPH R. BEARD
Editor

VIRGINIA NEWS

Dr. **DANIEL M. LASKIN** of Richmond, Virginia, has been named the 1987 recipient of the Gies Editorial Award for Excellence. He was cited for his editorial, "Telling It Like It Is," published in the October 1986 issue of the *Journal of Oral and Maxillofacial Surgery*.

He has written over 500 articles in the field of oral and maxillofacial surgery and dental research, including recent textbooks on the temporomandibular joint and oral and maxillofacial surgery. He is affiliated with many professional organizations and has won numerous awards and honors.

Dr. Laskin was the winner of three previous Gies editorial awards, four honorable mentions, awards as well as a special achievement award for editorial writing in 1983.

Educational Conferences

The plan for the International College of Dentists Educational Conference VI scheduled in conjunction with the Board of Regents Mini Convention July 13-17, 1988 at the Hilton Walt Disney World Village has been completed. This Conference along with the Convention has been dedicated to Frank M. Kenward, our retiring Secretary General. The Educational Conference will be co-sponsored by the University of Florida, College of Dentistry. The Dental Continuing Education Department, under Chairperson Hester Bethart, D.M.D., has been most cooperative and cordial in providing clinicians and logistics support for the continuing education program. Past President William Hawkins again has designed an attractive and informative brochure. The program will be extremely exciting, intensely interesting and totally upbeat. Doctors Anusavice and Soderholm will present an all-day seminar on Friday, July 15 addressing the latest concepts in restorative materials to include bonding agents, ceramic crowns, and criteria for the correct use of new restorative materials. On Saturday, July 16, Doctor Parker Mahan will present the latest interpretations of T.M.J. disorders and new anatomical findings and pathophysiological data.

The courses will be registered with the Academy of General Dentistry through the University of Florida College of Dentistry. The College of Dentistry will receive three thousand dollars from the ICD USA section in honor of Frank towards an unnamed chair fund to be established in the near future for the college.

The initial groundwork has been laid for Conference VII. It is anticipated that this conference will be held July 15-22, 1989 in the greater New England area.

Tentative plans have the arrival ice breaker gathering scheduled on the evening of Friday, July 14, at the Sheraton Boston Hotel Towers. The didactic events will commence on Saturday, July 15. This morning format will continue through noon every day for each session. The courses will be presented by the faculties of either Tufts, Harvard or Boston College Dental Schools. The program will be a concentration on the latest concepts of laser techniques and the potential impact on dentistry.

Monday afternoon will be departure by bus for a ride through the Mass.-Rhode Island countryside to the Sheraton Hotel, Goat Island, Newport, RI. It is anticipated the faculty for the conference for this stop will be provided by the U.S. Navy, D.C. Advantages for local tours will be available in the afternoons. Departure from Newport will be Wednesday afternoon and will take the conferees to The Mystic Hilton, Mystic-Conn for a delightful visit to Old Mistick Village and Seaport. The conference will officially end on Friday evening.

Plan to attend the following upcoming ICD educational conferences:

FUTURE EDUCATIONAL CONFERENCES

Orlando, July 13-17, 1988

Boston, July 1989

Puerto Rico, July 1990

Journalism Awards

Each year the USA Section of the International College of Dentists presents its annual Journalism Awards to editors of dental publications which exhibit excellence in various categories. The College established the awards to foster improvement and to recognize outstanding contributions to dental journalism. HAASE**, publisher of *Quintessence* magazines and books.

President Hawkins presents ICD's coveted Journalism Awards at the Convocation.

Hail & Farewell

Dr. and Mrs. Westerdahl

A Tribute to Harold O. Westerdahl

Dr. Harold O. (Westy) Westerdahl, Registrar/Secretary General Emeritus of the International College of Dentists, died on April 2, 1987, at his home in Poway, California. Although Westy had had congestive heart failure for some time, he had been feeling well and died peacefully in his sleep at the age of eighty after a very productive life. He was born in Moline, Illinois, in 1907, moved to Minneapolis, Minnesota, where he completed high school. He won a football scholarship at the University of North Dakota and took his pre-dental studies there, then back to Minneapolis. He graduated from the University of Minnesota Dental School in 1931. He was a member of Beta Theta Pi Fraternity and the Masonic Order, was chairman of his school board for some time and was a founding member of St. George's Episcopal Church in his community.

Westy opened his practice in General Dentistry in Minneapolis in the spring of 1932. He married Katy Gowan shortly after graduation and they had three children, a boy and two girls. Westy was a member of his local, state and American Dental Associations. He was active in dental organization affairs from the start and was inducted into the International College of Dentists in 1947. Elmer Best of Minneapolis was Registrar at the time and in a few years appointed Westy as Deputy Registrar. Elmer died in 1954 and Westy took over with very little background or knowledge of the workings of the College. He had to complete the arrangements for the upcoming annual meeting—hotel reservations, awards, meeting rooms, the whole process. He did it and it went off successfully. At that meeting, in 1954, he was officially elected Registrar/Secretary General. Next he discovered that he was supposed to put out the College News Letter, so he and Katy dug in and did that also for a few years. In 1958 he appointed Harold S. Eberhardt of Minneapolis Deputy Registrar and Editor. As Westy got his teeth into the task and learned the ropes, he gradually became aware of the potential of his position. This was not just another committee appointment of which he had had many. This was work for an international organization with great possibilities.

He envisioned Autonomous Sections and traveled considerably to foster and initiate such Sections—and they came to pass. He envisioned many College projects and saw them materialize. Requirements for membership were made more difficult. The Induction Ceremony was revised and perfected with the valuable help of past Regent Herb Grewe of Wisconsin. Westy was an idealist as well as a leader and an originator who developed an organization of the highest ideals and ethics. He had much help from many dedicated Fellows, but all along Westy was guiding and suggesting. Right along with Westy was Katy who was of inestimable help.

During his twenty years of leadership in the College, the one outstanding memory of Westy was his enthusiasm. He loved the College, his job and the people he met everywhere. His enthusiastic approach to new ideas helped encourage people to support them. During those twenty years, the College grew in membership, in the U.S.A. and abroad, as well as in esteem and prestige. Under his guidance the College became recognized as an international entity of great merit.

Then there was Westy the man. He was a delightful person with a wonderful smile and a warm personality. He and his charming wife, Katy, could meet anyone from anywhere and put them at ease. He was a good father and dentist who also loved golfing and fishing. He built a large practice and he and Katy raised three wonderful children. He had the happy faculty of making people like him, and like him they did!

He retired from both dentistry and as Registrar/Secretary General of the College in 1973, at which time Frank Kenward took over. After his retirement, the University of Minnesota School of Dentistry established the Harold Westerdahl International Dental Library in his honor, the College bestowed the status of Master upon him and he received dozens of complimentary and congratulatory messages from people all over the world. I'm only sorry space does not allow me to quote from some of them. They really indicated what dental leaders thought of him.

Westy and Katy moved to Poway, California, shortly after his retirement and have lived comfortably and enjoyably there in their home next to a golf course.

The College dedicated the 1987 Annual Meeting to Westy; and Katy was made an Honorary member of the College at that time.

The College has lost a great friend and we all shall miss him.

Harold S. Eberhardt

**Former College
President
Hartman Awarded
Fauchard Medal**

Dr. Howard Hartman of Cleveland, Ohio is the 1987 recipient of the Pierre Fauchard Medal. This prestigious award is presented annually to a person who has made an outstanding contribution to the progress and standing of the dental profession by the Pierre Fauchard Academy. The recipient is nominated by a committee of past recipients including all living recipients of the medal and approved by the Board of Trustees.

Due to illness, Dr. Hartman was not able to attend the national meeting at the American Dental Association meeting in Las Vegas.

Dr. Minoru Horiuchi, President Elect, and Dr. Koval, a past recipient, came to Cleveland on September 19, 1987 to make the award to Dr. Hartman while he was a patient at Cleveland Metropolitan General/Highland View Hospital.

The Cleveland Dental Society was represented by Dr. Ronald Occhionero and Dr. Dennis Tommasone. Dr. Al Uveges represented the Ohio Chapter of the Pierre Fauchard Academy and Dr. Leonard P. Weiss represented the Department of Dentistry at CMGH.

Dr. Hartman is a longtime member of the Cleveland Dental Society. He is affectionately known to Ohio members as "Mr. Pierre Fauchard."

Editor's Note:

Dr. Hartman was also active in the International College of Dentists and was President of the College in 1968. He had a long and distinguished history of service to organized dentistry throughout his professional lifetime. He passed away earlier this year.

L to R: Fellows Horiuchi, Tommasone and Occhionero present award to Fellow Hartman.

Weh Becomes Yee

USA Section President and College Editor William E. Hawkins was honored and adopted into the numerous, far-flung and powerful Yee family by family leader and USA Past President, Herbert K. Yee. Yee noted Hawkins-Yee's many accomplishments, his willingness to travel to the Orient and his insatiable taste for firecracker sitr-fry. Hawkins-Yee's wife, Loraine, commented, "He always did like his food hot".

Hawkins-Yee donned the family cap, obviously pleased, and gushed, "Now when someone in my family tells me to 'Go fly a kite', I can do it in the proper attire." His children said, "Oh, Daddy, really!!".

Hawkins-Yee answered "Yup" to each section of the Yee family oath causing Herbert Yee's chagrined comment, "Oh Confusion, I think I've given birth to the first Yupyee!" He muttered several other things in Chinese in a bewildered manner.

Herbert Yee noted that from now on William E. Hawkins-Yee would be known as "Number 20,001 Son", or "Weh Yee", for short. When asked to comment, Mrs. Herbert Yee said, "Herb always did have a weird sense of humor". Other Yee family members refused to comment.

The other officers and Regents, disregarding those interviewed, realized the great honor the Yee family had given to President Hawkins and heartily congratulated him. It was an honor that was well deserved.

L to R: Hawkins-Yee and Herbert Yee.

Parting Shots

L to R: Regents Schoessler, Newton and Emmering wonder why they couldn't get into the best restaurant in town.

Any time four guys get together you've got a barbershop quartet.

Early birds wait for 1001st way to cook chicken.

Fellows Hopkins, Horiuchi and Shumaker dressed for a Teamster's Convention.

Parting Shots

Down, Boy!

L to R: Editor Shumaker gives diet advice to Regent Hamrick.

Fellows-to-be and a jogger.

How many people does a bottle of wine serve?

Guess whose missing camera took this shot? Call the office.

Parting Shots

Fellows Sapp, Hawkins and Kenward review the troops. Duty calls.

L to R: The man who got 1st prize shows it to the man who got the economy lobotomy.

Waiting for the journalism awards. "The envelope please..."

First Lady Loraine Hawkins hosts the ICD ladies.

Parting Shots

Andy Johnson's gang sees him "make his bones".

Journalism awards are interrupted by a recount.

"Does he or doesn't he?"
