A reminder of why you are an ICD Fellow

Excerpted portions of Constitution and Bylaws tell the essence of our College

ARTICLE I

NAME AND OFFICE

Section 1. The name of the College is "International College of Dentists", hereinafter referred to as "the College"

Section 2. The office of the College shall be located at and its affairs conducted from the office maintained for such purposes. This office shall be established by the International Council and shall be managed by the Secretary General.

ARTICLE II OBJECTIVES

The objectives for which the College is established are:

- a. To advance the science and art of dentistry for the health and welfare of the public internationally.
- b. To encourage postgraduate study and research in the field of dental science and cognate subjects.
- c. To endeavor to bring together outstanding members of the dental profession of the world for the purpose of fostering the growth and diffusion of dental knowledge and to encourage an exchange of good will among members of the profession.
- d. To cultivate and foster cordial relations among those engaged in the profession of dentistry and other health professions.
- e. To take whatever action is possible to cooperate with dentists and various organizations for the prevention and control of oral disorders.
- f. To maintain and elevate the dignity of the profession by the maintenance of the highest standard of ethical and professional conduct by its members who are enjoyed to recognize their responsi-

bility to participate in the affairs of society as citizens of the community and to willingly accept responsibility for committee service in the field of peer review, grievances, legislation and the like when requested and as appropriate.

h. To recognize conspicuous and meritorious service to the profession and stimulate continuing efforts directed to the attainment of the objectives of the College by providing a method of granting Fellowship in the College.

ARTICLE IV MEMBERSHIP

There shall be at least four (4) classes of Fellows in the College; Active, Masters, Honorary, and Life. Membership in the College shall be by invitation only and such invitation shall emanate from the Section or Region in which the Person to be invited lives or practices. Such a candidate, when elected, shall be a member of both the College and the Section or Region which proposed him.

Section 1. Fellows shall at the time of their induction be dentists in active practice and in good standing in their respective countries.

Section 2. Masters shall, at the time of their induction, be active Fellows or Life Members who have rendered conspicuous and outstanding service to the College.

Section 3. Honorary Fellows shall be those who have rendered conspicuous and outstanding service to dentistry or closely related fields in the art and science of dentistry.

Section 4. Life Members

Upon retirement from active practice Fellows may at the discretion of the Board of Regents of the appropriate Section be made Life members. It is incumbent upon Life Members who have returned to active practice to apply for restoration of active membership. Life Membership may also be approved for Fellows of long standing who have reached a prescribed age in accordance with regulations approved by and at the discretion of the individual Section.

Section 5. A Section may after due deliberation and by action of its Board of Regents or its Governing Body establish another class of Membership. Such a class of Membership shall not be in conflict with the provisions of this Constitution. This action shall be reported to the Secretary-General of the College.

Section 6.

a. The Fellows of a Section acquire no property, or parts thereof, belonging to the Section.

b. Fellows in the College are allowed to use the letters F.I.C.D. (Fellow of the International College of Dentists) immediately following their name and professional degrees depending on the customs, laws, regulations and professional ethics of their respective Sections and locality.

A great day and gala evening is coming October 4th

**Come to your convocation
and banquet set for Seattle**

The convocation and induction will begin at 2 p.m. Friday afternoon, October 4th in the Great Ballroom of the Westin Hotel Seattle, Washington. That evening a social hour in the Ballroom foyer will begin at 6:30 p.m. followed by the banquet at 7:30 p.m. in the Grand Ballroom

See Seattle from the fabled Space Needle.

**You are invited
to the
Convocation
and
Banquet
October 4, 1991**

Science Center will be a real experience.

Entertainment and dancing to the music of the Max Pillar Orchestra will also be part of the banquet. Dress is optional but black tie is suggested.

The Westin Hotel Seattle is your host site.

After an outstanding day with your College you might want to take advantage of many of the sights and sounds of Seattle.

Seattle is loaded with outstanding attractions. Pick up a guide book and visit Enchanted Village, Museum of Flight, Chinatown, Seattle Aquarium, Tillicum Village or the Longacres Race Track. You might even want to visit Victoria, Canada.

This all makes for a wonderful weekend. Come join us in Seattle.

**Early Reservations are a MUST
Call your Central Office
(301) 251-8861**

**Pick up tickets 9-4 Friday, October 4
in the Grand Ballroom foyer**

Reservations **MUST** be made **NOW!** for the annual ICD banquet

You will want to attend this gala affair

A gala evening always follows the day's ICD convocation and induction of new Fellows at our annual meeting. This year's event will start with a social hour in the Grand Ballroom foyer at 6:30 October 4, 1991. The banquet follows at 7:30 in the Grand Ballroom of the Westin Hotel in Seattle, Washington.

Love is in the eyes of Alex for father inductee Ken Stavisky (District 16).

A very special part of the ICD day in Boston was the excellent fare served at our banquet. From beginning to end this proved to be a gourmet feast worthy of accolades. To maintain the theme of a fun evening, formalities were kept to a minimum.

**International College
of Dentists
Banquet
Grand Ballroom
The Westin Hotel
Seattle, Washington
Friday, October 4, 1991**

You are invited to a gala evening.

Perhaps the most enjoyable part of the evening was listening to and dancing with the music of the renowned Winiker Orchestra. All styles of dancing was observed. Regardless of the style, frolic was the game. If not dancing, visiting with friends became a very important part of this gala affair.

You need to join with your Fellows for an evening of delicious food, delightful entertainment and then dance to the music of the famed Max Pillar orchestra. Make your reservations now to avoid missing his memorable evening.

Enjoy dancing to Max Pillar's music

Reservations **MUST be made.
Call your Central Office
(301) 251-8861**

**ICD Central Office, 51 Monroe Street, Suite 1501,
Rockville, Maryland 20850**

W. Neal Newton leads USA Section - International College of Dentists

*Dr. W. Neal Newton
President, ICD-USA Section*

Strengthening state units a major goal in his report

It has been a wonderful experience to serve as your President. The royal hospitality extended to me was beyond any expectations. I was amazed with the extensive planning and organization of the great major meetings in New York, Boston, Chicago and Atlanta. The warmth and kindness extended to all visit sites will never be forgotten. The College is alive and well at all levels.

The successful Leadership Conference in Nashville was dedicated to the Deputy Regents. The USA Section, in all its magnitude, is sustained and dependent on the vitality of the individual state unit. It has been my great pleasure to have served the last 21 years as an officer at various levels of the College. I would like to offer some suggestions to strengthen ICD activity at the state level, based on this involvement. I must first qualify these suggestions to note that many state units exceed these recommendations:

(1) Each state unit must have an annual meeting. If a joint meeting is necessary, it is essential that a separate

ICD business meeting be held before or after the joint luncheon or dinner. This allows ICD business to be conducted in a private setting and gives the Deputy Regent his chance for expression.

(2) I would like to encourage each state unit to have a special social meeting. This could be a golf outing, a big game dinner, a baseball game or a formal gourmet dinner. For the last 31 years, in Missouri, we have had a terrific 3 day Bass Tournament as an annual event. This is a wonderful way to bring out true fellowship.

(3) It is important to give the state Editor of ICD an active and important role. Each member can be offered a form to submit news to the State Editor. I noticed on my visitation to New York that they have such a special form available to all members. Photos are most important and add a great deal to ICD publications. We can be very proud of our new College Editor, Robert L. Smith and his effective communication offered to the membership by the Key.

(4) Each state unit should set up a formal Mentor Program as suggested by ADA President Eugene Truono and supported by ADA President-Elect Geraldine Morrow. Your USA Section has formally endorsed this program. This will not only help the transition of the young dentist into the profession, but remember these young people may someday be the strength of our College. This program is similar to the standing ICD project called ACT.

A major goal for this year is to help make each state unit stronger and more effective. That was the purpose of the Leadership Conference. These state units are all coordinated by our Central Office. I can never address the membership without expressing warm appreciation to our Registrar Richard G. Shaffer. His dedication is beyond description. Thanks to Richard and Florence. And thanks to the entire membership for allowing me to serve.

W. Neal Newton, D.D.S.
President

Dr. W. Neal Newton – a proven leader

Dr. W. Neal Newton was elected President of the International College of Dentists, U.S.A. Section, at the annual meeting of the College in Boston on October 11, 1990.

Dr. Newton has served as president of twelve dental organizations, including the Missouri Dental Association at the age of 39. He was a member of the House of Delegates of the American Dental Association for ten years and served on the A.D.A. Council of Federal Dental Services for six years.

He is a Fellow of the American College of Dentists and the American Academy of Pediatric Dentistry. As a member of Omicron Kappa Upsilon he was honored as "Alumnus of the Year" in 1972 by Washington University, School of Dental

Medicine as "Distinguished Alumnus" in 1983. His fraternal affiliations are Sigma Alpha Epsilon and Delta Sigma Delta. He was Centennial Chairman for the Missouri Dental Association in 1965 and Centennial Chairman for the Washington University School of Dental Medicine in 1966.

He served a six year term on the St. Louis County Health Commission and was appointed by HEW Secretary, Elliot Richardson to a six year term on the Indian Health Advisory Board of the U.S. Government.

Dr. Newton received his pre-dental education at the University of Illinois. After graduation from Washington University in 1951 he joined the faculty's Department of Dental Pediatrics. He served as Assistant Professor on the faculty for 18 years and also

served on the staff of the Medical School, Childrens Hospital and St. Louis County Hospital.

He was an Army dental officer during the Korean War (now a retired Lt. Colonel, USAR) and, after service, returned to an office in suburban Webster Groves, Missouri, limiting his practice to pediatric dentistry.

Dr. Newton and wife Nancy are parents of two sons: Gregory, a 1981 honors graduate of the Washington University, School of Dental Medicine; and Scott, a registered nurse in Pampano Beach, Florida. Nancy Newton, a registered nurse, works full time as a Nursing Supervisor at a convalescent home in Webster Groves.

These are your leaders for 1991

Ready to take their position as officers of the USA Section of ICD are William C. Hopkins (OK), Treasurer; Lon D. Carroll (OR), Vice President; Lloyd J. Phillips (IN), President-Elect; W. Neal Newton (MO), President; Richard G. Shaffer, Registrar; R.L. Smith, Jr. (AR), Editor.

Harold S. Eberhardt becomes President of the International College of Dentists

Harold S. Eberhardt

Our ICD president makes things happen

Harold S. Eberhardt is a man of action – always toward contributing to and improving an organization. He is a truly dedicated, hard working leader. He is a genuine gentleman of intelligence who epitomizes the true professional with traits of fairness, honesty and integrity who has won the total respect and trust of his peers, contemporaries, friends and foes. This is the man who is President of the International College of Dentists.

Hal, as he is called most of the time, has been an active participant in outside activities since his very early college days. He very probably would have been so in high school but he worked at a bookstore on the University of Minnesota campus, opening it at 7:00 a.m. and working again after

school hours — all for the munificent sum of 11¢ an hour. Of course that was in 1924-25.

At the University of Minnesota he first entered Mechanical Engineering and then transferred to the Dental School. During those college years he met his wife-to-be, Tonie, who also was very active in extra-curricular affairs. Hal graduated from the School of Dentistry in 1931 and started his dental practice in downtown Minneapolis. Tonie and Hal were married in 1935 and are still going strong after 56 years. While Hal was busy with many dental organization activities Tonie was editor of her national sorority magazine for nine years, then was International President as well as working with the National Panhellenic Conference.

Hal, in the meantime, was building his practice and serving on most of the district dental committees and was elected President of the Minneapolis District Dental Society in 1952. He became active in the Minnesota State Dental Association and was elected President in 1961.

During these years Tonie and Hal were raising their family of three children, two sons and a daughter and naturally Hal was involved with the Boy Scouts and YMCA. He was Cub Master for four years and then Institutional Representative for two. He also

worked with the school PTA, as did Tonie.

In 1964 Hal was elected to the Board of Trustees of the American Dental Association, representing the 10th District after having served as delegate to both Minnesota and ADA House of Delegates for several years. He chaired several reference committees in each of these bodies. As ADA Trustee he won the respect and admiration of all Trustees. He not only knew the issues, but was very forthright in expressing his opinions and a strong adversary in any disagreement. After serving as ADA Trustee for six years he was elected Treasurer of the ADA in 1971 for a term of three years.

Several of his close friends have revealed that about this time he was urged to place his name in nomination for President Elect of the ADA. A gentleman of integrity that he is, he declined the opportunity to lead the ADA because he had already pledged his support to a good friend that had announced his candidacy and he refused to renounce that pledge and campaign against a friend. American dentistry missed having a good and fearless leader.

In 1968 he was a delegate from the ADA to the first Federation Dentaire Internationale meeting to be held behind the Iron Curtain in Varna,

Bulgaria, on the Black Sea.

While working in the ADA, Hal also became active in the International College of Dentists, being inducted as a Fellow in 1953 when Elmer Best was Registrar. He was Deputy Registrar under Registrar Harold Westerdahl from 1959 through 1972. He was also named Editor of the College publications in 1959 and served in that capacity until 1976 — seventeen years. While he was Editor, the *Letterette* (now called the *Key*) was first published for the USA Section. He may be one of the last persons to have known all the Registrars and Presidents of the College.

He was elected President of the USA Section of the College in 1977. Since then he has been a member of the International Council of the College, where he has served as a member and Chairman of the Constitution and Bylaws Committee for several years. To many friends and leaders in the College he is known as “Mr. Constitution and Bylaws.” He was elected and installed as President of the International College of Dentists in Singapore in 1990.

During these many years of continuous participation in dental activities Hal has been involved with other organizations as well as conducting a busy dental practice. He is a member

and Past President of the Minnesota Academy of Restorative Dentistry, a member of the American College of Dentists, Pierre Fauchard Academy and the Federation Dentaire Internationale. He belongs to Psi Omega dental fraternity and Tau Kappa Epsilon academic fraternity, and is an Honorary member of the Iowa Dental Association and the Nebraska Dental Association. Hal and Tonie have both belonged to the University of Minnesota Alumni Association continuously since graduation and both have been recognized by the University. Tonie was given the Alumni Association Service Award in 1955 and Hal received the Outstanding Achievement Award from the University of Minnesota in 1977, the highest award the University confers upon a former student other than an Honorary Degree. Hal has also been Guest of Honor of both his District and State Dental Societies and was awarded a Certificate of Appreciation by the International College of Dentists in 1973. He was elected Master of the College by the USA Section in 1975.

Along with all of his dental activities Hal enjoys summer vacations at their island cabin on Rainy Lake. The Eberhardts are the only inhabitants on their small island just north of Minnesota in the Canadian waters. Their 20-foot cruiser carries them to and from

Harold and Tonie hide away here.

the mainland and they also have a small fishing boat with outboard motor. The whole family — children, spouses, and grandchildren, all enjoy island life and the beauty and grandeur of this part of the world. There is always a chore waiting, but the pace is leisurely with time to sit on the deck viewing the lake and visiting with friends. One can work, fish, sit, pick blueberries, or take the cruiser for a picnic 25 miles up the lake.

If you ask this man, he is the luckiest guy in the world and the Lord has been good to him. He has a great wife, three fine children, two lovely daughters-in-law and five grandchildren (two boys and three girls) — and it is a happy family. What more can a man ask? Of course, the fact that Hal is himself a man of integrity and honor, with an abiding affection for his profession has something to do with his state of mind. His dedication to dentistry has been one of the strongest forces in his life and this year he continues to serve the International College of Dentists as its President.

A profile statement of Dr. Harold S. Eberhardt's character is best captured by Will Rogers who once said: “Everyone has good cause to be modest about something. No matter who you are, no matter what you do, there is something in the range of your experience that you do better, grasp more completely and understand more fully than those around you.”

Dentistry and the International College of Dentists are better because of leaders like Harold Eberhardt.

Harold and Tonie enjoy social gatherings.

An efficient executive strengthens our Section

*Richard G. Shaffer, D.D.S.
Registrar*

It is hard to believe that another year has passed by so fast and our superb Editor, R.L. Smith, Jr. from Little Rock has again asked me for comments. I must admit I am still on the learning curve and am very much enjoying meeting more and more of the wonderful people each of you have sponsored into the U.S.A. Section. I am impressed by the dedication and spirit of giving of your time and energy to the College and its projects. As each of the new inductees walks across the stage at the Convocation, I can not help but think of the outstanding qualifications of professionalism, community service and contributions to our great profession that each has already demonstrated. We have a strong legacy of excellence and must continue to pursue with vigor and sponsoring only those candidates who meet these tough qualifications. We must not overlook the younger candidates who have already achieved much in dentistry.

Dick Shaffer's comments discloses health in ICD-USA Section

This year has been a good one for the Section and the College worldwide. The first-ever worldwide Convocation was very successful with attendees from over 20 countries. Four from the U.S.A. Section were inducted at this Singapore meeting. The International Council voted to have the next event of this nature in Vancouver in September 1994.

Boston's meeting was very well attended and the Speaker, Otis Bowen, M.D. presented some thought provoking ideas. The Dinner Dance was at capacity and dancing was "spectacu-

lar." The Board of Regents again demonstrated their devotion to projects of quality and activities within their Districts.

The Central Office has directed its attention to the printing of the Roster, Bylaws of the Section, Completion of a Videotape on the "International College of Dentists - Decade of the '90s", the administration of the Leadership Conference and Continuing Education Conference IX. We had a large crowd for each of these important gatherings. Of course, we look forward to seeing you in Seattle for the Convocation/Dinner-Dance on October 4, 1991.

I congratulate you for the quality of the candidates and the increasingly accurate Candidate Information Forms (CIF). Keep it up. You can anticipate several changes in the CIF soon for clarity and ease of completion.

My thanks too for your hospitality when we visit and for your constructive ideas for the betterment of the Section. Keep talking to us. I am delighted to again report that YOUR SECTION IS ALIVE, WELL AND FINANCIALLY SOLVENT. WE CAN MAKE IT BETTER, THAT IS UP TO YOU.

*Our Registrar Dick Shaffer and wife,
Barbara are pleased with events.*

The Processing of a new ICD Member

A proven potential leader is approached for membership

Leif Lorenz did not know the reason for the request for a few minutes of his time made by two ICD members. He graciously granted the request and on a Thursday afternoon the two made the visit to his office.

The members were met at the entrance to his office and the three retired to his private office for their presentation of the purpose of their visit. One of the visitors, R.L., told Leif

Leif Lorenz welcomes visitors Bob and Max to his office.

that he had proposed his name to be considered for membership in the International College of Dentists to the Deputy Regent of the Arkansas Chapter. His name had been referred to the Chapter's Screening Committee and the committee had acted favorably in his case and that he and Max were there to extend an invitation for membership.

Max and I talked with Leif about our College. We went into its history and organization. Our conversation dealt with the College goals, objectives, activities and projects. Further emphasis was made on its position and esteem in dentistry, belief in continuing education, adherence to the highest standard of ethical and professional

Leif fills in some portions of the ICD information sheets.

conduct and its belief in recognizing leaders in our profession.

We pointed out that although this was an invitation to membership, information gained from a form we gave him along with some letters of endorsement would need to be submitted to the Counselor and Regent of our District 12 (Kansas, Oklahoma, Arkansas and Louisiana) for approval. The results of this procedure

The Screening Committee for the Arkansas Chapter considers the nomination of Leif Lorenz.

would be forwarded to the College's Board of Regents for final action.

Following this procedure and the final approval of his nomination he would be sent an application/formal invitation for membership and notified of the time and place of the next convocation of the College for his induction into the International College of Dentists.

This may seem like a long, complicated procedure, but Max and R.L. pointed out that this was a workable procedure in ensuring that we invite and accepted into membership only those persons with outstanding

Candidate Lorenz is assisted in robing for installation ceremony

attributes of dental professionalism, service to mankind and potential for leadership.

Leif told us later that after much consideration and sharing this with his wife, Sally, he had completed the information form and sent it to his sponsor. It was a great moment too, when he received the letter from our College saying he had been approved for membership.

ICD USA Section President Eugene Brinker confers fellowship on Leif.

Leif displays his certificate of membership.

International College President Sadakatsu Sato congratulates Leif on Fellowship.

One of the most impressive events in his professional life, he said, was when he stepped forward for his ribbon and key to be draped around his neck and received his plaque of membership.

This was the making of a new member in the International College of Dentists – and Leif Lorenz is proud of it.

New Fellow Leif Lorenz and wife, Sally, enjoy evening of dinner and entertainment following his induction.

Our Foundation scores with significant video

Dr. Jeanne Sinkford videotape presented to research center

On June 21, 1991 a videotape interview of Dr. Jeanne Sinkford, Dean of Howard University Dental School, was presented to the Moorland-Spingarn Research Center of Howard University to be added to the largest and most comprehensive repositories of information on the history and culture of people of African descent in the world. Dr. Jeanne Sinkford, the first and only woman dental dean, was interviewed as part of an ongoing ICD project "Chronicles of Outstanding Leaders in Dentistry" which has captured on videotape representatives of the academic, research, and professional community who have made a significant contribution to the profession. The ICD selected Dr. Sinkford to be among those to be interviewed because of her local and national prominence as spokeswoman on issues such as geriatric research, the needs of minorities in dental education, and the importance of programs to ensure access to quality dental care. The ceremony honoring Dr. Sinkford was sponsored by the American Association of Women Dentists, Howard University Chapter. Dr. Richard Adelson, Chair of ICD Video History Commit-

tee presented the tape in behalf of the College to Dr. Thomas C. Battle, Director of the Moorland-Spingarn Research Center.

The project undertaken by the ICD Video History committee has over the last six years set as its goal the preservation of the thoughts of dentistry's modern day leaders. As of this date 24 interviews have been completed, capturing the personal and professional history of leaders such as Harold Hillenbrand, representatives of the academic community including Maynard Hine, Clifton Dummett, and Alvin Morris; prominent clinician-teachers such as Miles Markely, Wilmer Eames, and L.D. Panky. From among the scientific community, the ICD has interviewed Ralph Phillips and Nelson Rupp.

The videotapes serve two valuable purposes consistent with the College's commitment to "conspicuous and meritorious service to the profession of dentistry". One, is to enable the College to influence the profession by offering dental students and professionals insight into the profession's history. Through contacts with these

role models, the viewer may be inspired to emulate these leaders toward greater achievement in their own personal and professional lives, to discover untapped sources of energy, and to find ways that they might also contribute to their profession and community.

Second, the ICD through these videotapes will respond to what is indeed a challenge to dentistry — to support the preservation of an important part of the profession's heritage before it is lost. Formal collections in museums, libraries and dental schools hold the writings, pictures, effects, of these important people. Most of the time, however, these collections are unable to give the depth and richness to the history of these people. Indeed, with out electronic technology we will preserve the faces and feelings as well as the voices of these dental greats.

Information about the project or ordering information for single copies of the tapes or for the entire tape series should be directed to Dr. Richard Shaffer in the ICD Central Office.

San Diego here we come . . .

Continuing Education Conference X

**A fabulous experience ahead
when you are there**

For advance planning put this on your calendar NOW for 1992. The USA Section has a superb program for CEC X.

This 10th tuition free Continuing Education Course for ICD Fellows will be held in San Diego at the superb San Diego Marriott Hotel and Marina. This beautiful hotel in downtown San Diego Bay - a sight to behold. The sun and charm of the sea, enviable recreation, a short hop to Mexico - this is a great place for relaxed learning and exchange of ideas.

See wild animals in their natural habitat.

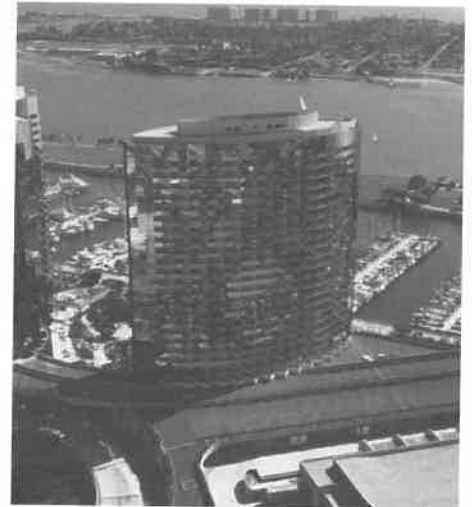

**Put on your calendars
Continuing Education
Conference X
San Diego
July 9-12, 1992**

Sailboats are available to sail the Pacific.

A poolside reception will welcome you to the Conference.

A Forensic Dentistry session, a subject interesting to all persons, opens C.E. Conference X. There follows a presentation on TMJ disorders and one on Oral Surgery procedures.

Site of Conference X is San Diego Marriott Hotel and Marina.

And there is the Wild Animal Park, the tide pools of Point Loma, the Bazaar del Mundo, Tijuana, and possibly a tour of a carrier, the "Top Gun" school or the Underwater Demolition School for your enjoyment.

Nothing can equal this event.

KNOWLEDGE-FUN-FELLOWSHIP in a glorious setting. Watch for the Brochure and hotel reservation blanks in early 1992.

PUT IT ON YOUR CALENDARS NOW!

**Place it on your calendars NOW
July 9-12, 1992
San Diego Conference X**

Record breaking Leadership and Continuing Education IX Conferences held in Nashville

Both conferences exceed expectations

The Leadership Conference in Nashville, TN, July 18, 19 attended by USA Section Officers, Regents, Vice Regents, Deputy Regents and Committee Chairmen was termed a great success by those attending.

USA Section President W. Neal Newton gave the welcoming address followed by Conference Chair Lloyd Phillips who charged the participants.

President W. Neal Newton and Chair Lloyd Phillips opened the Leadership Conference.

Advance planning, quality of local arrangements, commitment of participants, vital topics for leadership and outstanding clinics resulted in the most outstanding event in recent history.

Our thanks should be given to those responsible for the success of these two conferences. Lloyd Phillips, General Chairman, led the field of effective planners, Charles Carter for local arrangements with his committee of John Lathrop, Charles Ziegler and

George Selfridge. Thanks also to Nick Varallo for his entree with Opryland management and especially to Dick Shaffer and Florence Fallavollita for their tireless efforts on our behalf.

Regent John Lathrop presents his paper.

Two topic papers were then presented to stimulate our participation. John Lathrop, Regent District 3 gave one on "Membership Evaluation" and Charles Ziegler, Regent District 9, gave the other on "Projects of the USA Section and the Future."

Sam Harris, leader, meets with T. Kays, Baxter Sapp, and Lon Carroll.

At lunch, ADA President Gene Truono gave a very stimulating keynote address. He opened his remarks by saying that we must unite the diverse elements of American dentistry and strengthen our unity. We also need the non-members in the ADA because they need the ADA and we need their talents and energy. His final point was that the ADA monitoring concept, strongly supported by the ICD, was a top priority in uniting the younger dentists and the more established ones.

Two subjects for our Leadership Conference, Membership and Projects brought out excellent contributions from those attending. After presentations by John Lathrop and Charles Ziegler, eight of our leaders met with other participants in discussion groups where many questions pertaining to the subjects were put to them for their input.

The following morning workshop summary presentations were presented by Charles Foster, Deputy Regent

Utah and Richard Shick, Vice REgent District 9. A general interchange of ideas and opinions of the over 85 attendees developed agenda items to be considered by the Board of Regents in Seattle.

The "wrap-up" also included the eight discussion group leaders acting as a panel fielding questions from the floor. The workshop produced many new ideas and reinforced the present policies of our Section.

The Continuing Education Conference IX opened with the largest attendance of any in the nine year history of our conferences.

The CEIX was sponsored by the USA Section Foundation and is a valuable tuition free project offered to Fellows in the USA Section.

In enrolling Dr. D.A. Falace of the University of Tennessee and Dr. V.T. Himel of the University of Kentucky as

Dr. D.A. Falace instructs on TMJ & Pain.

clinicians the Conference was an assured success. Dr. Himel's subject was "Endodontic Diagnosis and Treatment Planning - What to do for the Patient in Pain" and Dr. Falace's was "T.M.J. and Myofacial Pain." Those in attendance gave a top grade for the excellence of this scientific program.

Dr. V.T. Himel speaks on Endodontics.

The two-session Education Conference also included a very informative finance lecture for the spouses given by Mr. Jacob Way of Cadiz, KY and Mr. Frank Bond of Chicago, IL.

And then there was OPRYLAND with all its excitement, glamour, attractions and fun; Opryland U.S.A., the Grand Ole Opry; The Great American picnic and the marvelous Opryland Hotel with its unique attractions and mystique all contributing to making this weekend a memorable one for the Fellows, wives and families.

Opryland Hotel waterfall.

Our leaders Shaffer, Newton, Phillips and Carroll in action.

District Reports

District 1

Massachusetts

The Association of Dental Editors, meeting in Boston on October 11, 1990, elected **Norman Becker** of Revere as President. Becker, editor of the Journal of the Massachusetts Dental Society, lives in Marblehead, MA.

Norman Becker will lead the American Association of Dental Editors as President 1990-1991.

In addition to his election as president, Becker received an honorable mention in the International College of Dentists 1990 Journalism Awards for an Article on the History of Dentistry in America which appeared in the 1989 Winter issue of the Journal of the Massachusetts Dental Society.

The popularity of the Yankee Dental Congress and ICD meeting grows each year and this year was no exception. Despite the war in the Persian Gulf, dental professionals from all across the country participated in a superb selection of continuing education courses to enhance their knowledge and professional capabilities. At our

meeting, Regent **Minoru Horiuchi** welcomed President of the USA Section **Neal Newton** who addressed the group and brought us news of the activities of the college. He also had the pleasure of presenting **Floyd Williams** a plaque on the occasion of his 100th birthday. President-Elect of the ADA, **Geraldine Morrow** brought us news of organized dentistry on the national level. Contrary to expected weather conditions, the Yankee meeting occurred without the usual snow storm.

Regent Minoru Horiuchi presents a gift to ICD President Neal Newton.

ADA President Elect Geraldine Morrow with Floyd Williams (New Hampshire), the oldest fellow in the ICD being presented a Certificate of Service on his 100th birthday by President W. Neal Newton and Regent Minoru Horiuchi.

Regent Minoru Horiuchi presents the outstanding International Student Award to Dr. Raina Trilokekar.

Each year District 1 of the ICD makes an award to the outstanding International Student. This year Regent Horiuchi made the award to **Raina A. Trilokekar** of Tufts University School of Dental Medicine for all around excellence in her dental studies.

In March, a black tie dinner at the Harvard Club of Boston was held to honor **Jack Hein** to celebrate his many years of service as the director of the Forsyth Dental Center. The dinner topped off a day of scientific seminars that discussed the relationship of business and academia. The attendance

District Reports

at both the seminars and dinner was an enormous tribute to Dr. Hein, whose contributions to the profession are legion.

Numerous ICD Fellows are active in the planning and presentation of the Yankee Meeting each year and next year's Scientific Program Chairman **Thomas F. Winkler, III** indicated the program was in place and looked forward to another marvelous meeting.

Michael D. Rennert, Montreal, Quebec, has been elected a trustee of the American Association of Orthodontists (AAO). He will represent the Northeastern Society of Orthodontists on the AAO Board of Trustees. Dr. Rennert is the first Canadian ever elected to the AAO Board of Trustees. A past president of the Quebec Association of Orthodontists, Dr. Rennert has held numerous positions in the Northeastern Society, becoming president in 1983.

Connecticut

Earle F. Cote of Greenwich, CT, was installed as president-elect of the American Association of Orthodontists (AAO) during the association's 91st Annual Session, May 11-15 in Seattle, WA. Dr. Cote has been a member of the AAO Board of Trustees since 1982. He represents the Northeastern Society of Orthodontists, one of eight constituent societies that comprise the AAO. He received the Distinguished Service Award of Orthodontic Alumni Society of Columbia University in 1987.

District 2

New York

The New York section of ICD held its annual luncheon meeting November 27, 1990 at the Javits Convention Center in conjunction with the Greater New York Dental meeting.

Our President, **Tom Sweet**, introduced our visiting VIP's including **Neal Newton**, President, USA Section of ICD; **Jack Opinsky**, ADA Trustee, 1st District; **Fred Halik**, President,

DSSNY; **Edward McNulty**, Regent, NY Section American College of Dentists; and the dignitaries of our membership, including, among others, **Al Lanza**, retiring Regent, and our honoree and his lovely wife, **Margarite**; **Irv Gruber**, Executive Director, Emeritus, GNYDM; **Ronald Maitland**, Advisory Chairman, GNYDM; **Howard Menell**, Executive Director, GNYDM; and **James Spencer**, General Chairman, GNYDM.

The meeting was then turned over to **Howard F. Lyboldt**, our incoming Regent, who chaired the main event of the afternoon, a tribute or roast of **Al Lanza**, outgoing Regent.

Harold Lyboldt presenting Distinguished Service Award to Phil Finell.

As Howard so aptly put it in his introductory remarks, a roast seems to be the only thing left that Al has not participated in in his many years of devotion and service to our profession. And Al Lanza was well roasted on both sides.

The roasters were **Tom Sweet**, past President of DSSNY, and present ADA Trustee for the 2nd Trustee District; **Tony Dimango**, Secretary-Treasurer of the NYS Constituency, Vice-Regent of ICD, and a past chairman of CNYDM; **Irv Gruber**, a past Vice-President of ADA and Executive Director Emeritus of GNYDM; **Phil Finell**, past President of NYS Constituency and Deputy Regent of ICD; **Harold Gelb**, the immediate past president of our NYS Constituency and a past General Chairman of GNYDM; **Herman Bosboom**, a past Regent of

ACD, and a past General Chairman of GNYDM, and a Deputy Regent of ICD; and **Neal Newton**, President of the USA Section of ICD.

Several members regrettably could not attend, but sent in their tributes: **Abe Kobren**, past President of ADA; **Larry Kerr**, past President of ADA; and **Gerald McGuirk**, past Chairman of GNYDM.

Our roastee, **Al Lanza**, was given equal time to rebut all the accusations, but was unable to do so. But, like the gentleman he is, claimed he thoroughly enjoyed the entire program, and that it was one he would never forget.

Phil Finell, Bay Shore, was presented with the Distinguished Service Award by **Howard F. Lyboldt**, NYS Chairman of the Pierre Fauchard Academy at its annual meeting held in Atlantic City in conjunction with the meeting of the DSSNY in June, 1990.

The DSSNY meeting was held with the New Jersey State Society, and the PFA meeting was held with the New Jersey Constituency.

Lillian H. Bachman, New York city, was elected 3rd Vice President in Boston, 1990, of the American Association of Dental Examiners. She was also elected Vice-Chairman for 1991 of the ADA Joint Commission on National Dental Examination. In the summer of 1990, she took a glacier Alaska cruise of the inside passage and the interior to Denali.

Bernard M. Klersfeld, Great Neck, is active in the Great Neck Dental

District Reports

Study Club, the Northeastern Society of Periodontology, the L.I. Society of Periodontology, the NYS Society of Periodontology, and the American Academy of Periodontology. He is a member of the American Academy of Oral Medicine. His family includes three children – **Brett, Adam,** and **Johanna Manning,** three step-children – **Laureanne, Samuel,** and **Janet Kamin;** seven grandchildren – **Sean, Maeve, Diana, John, Madelaine, Paul** and **Rebecca.** The family loves to travel to Europe and through the US and Canada. Their last trip was by ship to Leningrad, Russia. He is a ski enthusiast in the US, Canada, and Europe each year. His last trip was to Big Sky, Montana, and to Cortina, Italy. He entered one marathon cross-country ski race in Renna, Norway called BFRKIHEUIER, and finished in this 55K race. He also enjoys sailing and recreational boating.

Howard Rodin, of Smithtown, has been installed as President of the Suffolk County Dental Society at the Tenth Anniversary meeting of the Society held in January at the Huntington Hilton Hotel. He is an Associate Fellow of the New York Academy of Dentistry, immediate past president of the L.I. Academy of Periodontists, and a member of The Suffolk County Mass disaster forensic Dental Identification Team, and a member of the N.Y. Academy of Sciences, and The Society of Sigma Xi. His wife, **Gail,** is a travel agent, daughter **Stephanie** is a senior in high school, and son **Dennis** is in his junior year at Tufts University, studied art and history in Florence, Italy, where he was visited by his family.

Raymond Zambito, of Jamaica, is co-authoring with **Dennis J. Cleri,** MD, "Immunology and Infectious Diseases of the Mouth, Head and Neck," and co-authoring with **James J. Sciubba,** DMD, PhD, "The Manual

on Dental Therapeutics." He is Chairman, Department of Dentistry, and Chairman, Continuing Medical Education, Catholic Medical Center of Brooklyn and Queens.

William L. O'Connell, Garden City, has been installed as President-Elect of the NY State Society of Oral and Maxillofacial Surgeons.

Sidney I. Berger, New York City, Has retired as President of the North East District of the AAID (North American Academy of Implant Dentistry) 1989-1990. He has lectured in Vienna for the Austrian Academy. He has traveled to New Orleans attending the annual AAID meeting, and has just returned from a Palm Beach, FL vacation. He has taken an associate into his office, **Dr. Massis Yetenian.**

Richard Mascola, Jericho, is Executive Director of the Queens County Dental Society. He is Chairman of the ADA Select Committee for NY State. He is a plane enthusiast, having built his own competition aerobatic aircraft.

Morton L. Divak, Great Neck, is Chairman of AOPAC seminar series and is a member of the ADA Council on Annual Sessions and International Relations. He is Educational Director of the First District Dental Society, member of Board of Governors, DSSNY, and EDPAC Board of Directors. He expects to travel with his wife, **Ruth,** visiting Hong Kong and China.

Lewis T. Kulik, New York City, is listed in the 14th edition of Mens Achievement; is on the Board of Directors NY Rotary Club, is serving his second term on the NYS Board for Dentistry NERB Examiner and has recently been elected to the Pan-American Medical Association. In April, 1991, he was joined by his wife, **Loretta,** and daughters **Jenniel** and **Nicole** at the General Assembly of the

Northeast Board of Dental Examiners (NERB) in Washington, D.C.

Herbert Taub, Rockville Centre, has been awarded the DSSNY Distinguished Service Award for his many years of devotion to the dental profession (It couldn't happen to a greater guy).

Irving Shomer, Flushing, is a past president of Queens County Dental Society, Vice-Chairman Peer Review Committee - QCDS, and Chairman of Ethics Committee QCDS. He is a past president of QCAGD and Dr. Maxwell Henken Memorial Distinguished Service Award - QCAGD.

His wife, **Ginette,** daughter **Jacqueline Chaise,** son **Dr. David Shomer,** and grandsons **Joshua Chaise** and **David Chaise** have planned a trip, tour and cruise to Alaska in July.

Robert Trager, JFK Airport and LaGuardia Airport, is President of Queens County Dental Society. He is the Director of the Greater Long Island Dental Meeting.

He has received the Dr. Maxwell Henken Memorial Award from the Queens County Academy of General Dentistry as instructor of Clinical Laser Dentistry. He participated, after the Avianca plane crash on Long Island in 1990, in providing on-site aid for head and neck trauma.

He is a member of AGD, American Academy of Oral Medicine, and the International Academy of Laser Dentistry.

His wife, **Georgette Sarvaideo,** DDS, practices with him at JFK and LaGuardia Airports, daughter **Lauren** attends NYU and daughter **Tami** attends University of Miami. Robert Trager is a traveling man, to Hong Kong, Bangkok, Singapore, Mexico, California, Florida, Arizona, Michigan,

District Reports

Illinois, Massachusetts, New Mexico, Utah and Pennsylvania in the past year.

Henry Amen, Brooklyn, received the NYS Academy of General Dentistry Distinguished Service Award in May. There were 300 dentists in attendance.

District 3

Pennsylvania

The annual combined breakfast of the ACE with ICD District 3 was held, Thursday, September 27, 1990, at the Monroeville Radisson Hotel in conjunction with the Three Rivers Dental Conference of the Dental Society of W. PA.

Robert Runzio, Treasurer, Dental Society of WPA, Kay Thompson, past president of WPA Dental Society, Robert Verklin, Chairman, American College Section for WPA Dental Society and William Booth, ADA Third District Trustee.

William A. Booth, ADA Third District Trustee, was the guest speaker at the breakfast. His topic was Current Trends In Dentistry. A question and answer session followed with emphasis on how the ADA was responding and advising members to respond to current news stories regarding the amalgam controversy and the transmittal of AIDS from health care practitioners to patients.

Honored guests in attendance at the breakfast were, **John Lathrop**, District 3 Regent and President-Elect of the PA Dental Association; **Herman Aqua**, President of the PA Dental Association; and **Raymond Lancione**, District 3 Vice-Regent and Secretary of

Regent John Lathrop (President Elect PADA), Herman Aqua (President PADA) and Raymond Lancione, Vice Regent, share the spotlight.

the Dental Society of W. PA.

Also present were **Robert Runzo**, Treasurer of Dental Society of W. PA.; **Kay Thompson**, Immediate Past President of the PA Dental Association; and **Robert Verklin**, Chairman of W. PA Section of American College of Dentists.

Joseph Adamchick, as Chairman, presided over the Past Presidents of the Dental Society of S. PA. luncheon, September 26th, held in conjunction with the Three Rivers Dental Conference of the Dental Society of W. PA. The luncheon was held at the Monroeville Radisson Hotel. **Jon Suzuki**, newly appointed Dean of the

School of Dental Medicine of the University of Pittsburgh, was guest speaker at the luncheon.

Michael Rosella, Program Chairman of W. PA MAGD Study Club and District 3 Editor, presented a well received table clinic on Successful Dental Sealants at the Three Rivers Dental Conference of the Dental Society of W. PA on Wednesday, September 26, 1990.

John B. Lathrop of West Chester has recently been elected President of the Pennsylvania Dental Association at the 123rd Annual Session held in Pocono Manor, May 2-5, 1991.

John is a General Dentist and has been practicing in West Chester for 28 years. He has been a member of the PDA since 1961.

In 1961, he graduated from the University of Pittsburgh School of Dental Medicine. He has held several offices within the Chester/Delaware County Dental Society, including President in 1972.

John has also held several offices within the Second District Dental Society, including the office of Treasurer, and was President of the District in 1981.

Dr. Joseph Adamchick, past president of WPA Dental Society, congratulates John Suzuki, New Dean, School of Dental Medicine, University of Pittsburgh.

District Reports

Herman M. Aqua presented the gavel to his successor as President of the PDA, John B. Lathrop.

He has been a member and chairman of numerous PDA committees. Dr. Lathrop was also the Treasurer of the PDA from 1976 to 1981. Most recently, he has served as Trustee from the Second District, and has been active in other professional organizations. He is a Fellow of both the International College of Dentists and the Academy of General Dentistry. Currently, he represents Pennsylvania as the Regent of the International College of Dentists. John is also a member of the Pierre Fauchard Academy and the Federation Dentaire Internationale.

From 1981 through 1983, he served on the Special Committee of the Future of Dentistry for the American Dental Association.

George Feldman, a 1949 graduate of the University of Pennsylvania School of Dental Medicine, was awarded the prestigious Alumni Award of Merit by the Dental Alumni Society. The award recognizes alumni for valuable services and devotion to the advancement of dentistry, the School of Dental Medicine and the Dental Alumni Society. Dr. Feldman was one of three alumni to receive this award which is the highest honor the School bestows upon its alumni.

District 4 Maryland

The Maryland Section of the ICD, at the Annual Business Meeting in December, presented the George Clendenin Award to four students from the Baltimore College of Dental Surgery, Dental School, University of Maryland.

The Clendenin Award was established by **Gary Clendenin**, his son, and a member of the Maryland Section. The honor is bestowed upon the student who excels academically during the freshman year of dental school. In 1990 there were four recipients, all of whom achieved a four point GPA. Those honored were: James D. Condry, Margaret G. Lu, Frank Marshall, and Michael A. White. The recipients represent an interesting trend in dental education in that most of them participated in another career prior to entering dental school.

The certificates, along with a cash award, were presented by **Bob Leupold**, Deputy Regent of the Maryland Section. Also present, and commenting on College interests and plans: **Dick Shaffer**, Secretary General of the College, and Harry Dressel, Fourth District Regent.

Frank Dolle, past Deputy Regent, was presented the Distinguished Service Award by the Maryland State Dental Association. The DSA represents the highest honor that can be bestowed upon a member dentist by the Association.

The Maryland Section was host for the Annual ACE-ICD Luncheon at the Chesapeake Dental Conference in August.

District of Columbia

The District of Columbia Chapter of the Fourth District, ICD held their annual Fall meeting at the Officers' Club of the National Naval Medical Center, Bethesda, MD on October 25, 1990.

We were fortunate to have the visiting President USA Section, **Eugene E. Brinker**, who assisted in performing some ceremonial activities. Having many fellows from the Federal Dental Services and their spouses in attendance, **Gene** installed **Raymond L. Murphy** as the Deputy Regent for

Raymond Murphy is installed as Deputy Regent VA/PHS by Eugene Brinker.

the VA/Public Health Chapter of USA District 4. A Plaque was presented to the outgoing Deputy **Albert J. Aaronian** and he was thanked for his service to this chapter. **Gene** also installed the new Deputy Regent for the District of Columbia Chapter, **G. Wells Drumwright** who, in turn, presented the out-going Deputy **Wm. A. Jennings** with a plaque for his many years of loyal service in this post. Several other minor presentations were made.

District Reports

Outgoing Deputy Regent Aaronian for VA/PHS receives his plaque for service from new Deputy Raymond Murphy.

New Deputy Regent for D.C. G. Wells Drumwright receives a welcome from William Jennings.

The climax of the evening was featured speaker Mr. A. Mark Christopher, Attorney-at-Law, who gave an outstanding talk on the new tax laws, estate taxes, wills, trusts, guardianship, Medicare and Medicaid eligibility needs.

Once again, the District of Columbia Chapter, joined by the Fellows in the Federal Dental Services with their guests and spouses, had a delightful, educational, and fun-filled evening.

In concert with the District of Columbia Dental Society's annual Spring Meeting, D.C. Chapter of the International College of Dentists, on an alternating basis with the American College, presented this year's breakfast on Sunday, April 28, 1991.

The 8:00 a.m. affair at the Washington Hilton Hotel, was, as usual, well attended by all of the local officers of both colleges, as well as **Geraldine Morrow**, President-Elect of the ADA; **Joseph R. Salcetti**, ADA 2nd Vice-President; 4th Division Trustee **Richard D'Eustachio**; Past ADA President **Joseph Capuccio**; Past ACD President **Robert W. Elliott, Jr.**, and **Richard G. Shaffer**, International College Secretary General and Registrar of the USA Section.

Our speaker was Dr. Anton L. Inderbitzen, Deputy Assistant Director of Research of U.S. Geological Survey. His subject was "Antarctica: The Last Pristine World" and was accompanied by a glorious color slide presentation—few seats were vacated till the end of the talk.

The affair was emceed by **G. Wells Drumwright**, Counselor, D.C. Chapter, District 4, ICD.

District 5

Florida

At the November, 1990 Annual Meeting of the American College of Prosthodontists in Charleston, South Carolina, **Robert W. Elliott, Jr.** of Key West, Florida, was recognized when College President **John B. Holmes** presented him the College's highest honor, the prestigious President's Award for service to the College and the dental profession.

Dr. Elliott, a native of Ashtabula, Ohio, is a retired Rear Admiral in the United States Navy and former Chief of the Naval Dental Corps, Past President of the College and of the American College of Dentists and for a number of years was a member of the Board of Directors and Secretary of the District of Columbia Dental Society.

The Florida Constituent held its annual breakfast meeting in conjunction with the Pierre Fauchard Academy at the Florida National Dental Congress Meeting in Orlando on June 16, 1991. Approximately 50 members and guests were in attendance. Deputy Regent **Medina** welcomed fellows and guests.

Among the special guests were **Richard G. Shaffer**, Registrar ICD Central Office and Vice Regent **Gregory Smith**. Also in attendance were **Ronald Taylor**, recent graduate of the University of Florida College of Dentistry; Senior Dental Student **Kirk Solberg**, President of the Senior Class;

Deputy Regent Medina presenting plaque to Ronald Taylor, recipient of the 1990-1991 Leadership Award.

and **Edson Bustamante**, President of the Junior Class. Student **Inge Ford**, President of the Sophomore class could not attend as she gave birth to twin boys this morning and our best wishes go to her.

District Reports

These student dentists have thus far demonstrated the greatest leadership potential in the undergraduate dental program at the University of Florida College of Dentistry.

Dr. Shaffer gave welcoming remarks and announced the forthcoming leadership conference of the ICD that will be in Nashville, Tennessee in July 1991. He also made members and attendees aware of all activities of the College for the coming year.

Deanne Rife-Warner, a recent dental graduate, was awarded the 1991 Senior Dental Student Award on behalf of the Florida Constituent. **Ron Taylor** was presented with the Student Leadership Award. This award is presented to a graduating senior student in recognition of his/her leadership during their formative predoctoral education. In addition, the Florida Constituent subsidizes expenses of the recipient to attend the national meeting of the American Dental Association.

Taylor responded with a presentation of the value and the experience obtained by attending the national meeting. Medina announced the appointment of Kamal Zakhari as Treasurer of the Florida Constituent replacing **Robert Stubbs** who has given loyal and dedicated services to the College since 1980. Dr. Stubbs will be formally recognized at our next meeting.

*Left to right:

Medina, Deputy
Regent, Kamal N.
Zakhari, New
Treasurer Florida
Constituent.*

The following new fellows were inducted at the American Dental Association Meeting in Boston: **Geraldine Ferris** and **John R. Jordan**.

Before adjournment, Dr. Medina announced that the next meeting of the Florida Constituent would be Saturday June 13, 1992.

District 6 Kentucky

The Kentucky Section of the ICD held their annual business meeting at Galt house in Louisville, KY on April 6, 1991. The meeting was chaired by Counselor **Jack Chastain** in the absence of Deputy Regent **John Mink**, who had to be absent due to the wedding of his daughter. Discussions were held concerning surveying

potential members throughout our state. Also many suggestions were given to improve the interactions of the chapter. All members were encouraged to participate in the Education Conference to be held at the Opryland Hotel in Nashville, TN on July 18-20th.

A joint luncheon was held with the American College and **Frank Stevens**, Trustee for the ADA 6th District, was the speaker. **Mark Cummins** from the University of Kentucky and **Mark Chambers** from the University of Louisville were the recipients of the Leadership and Professionalism Award from their respective schools.

Until the next gathering of the chapter, here's wishing you good health.

West Virginia

James J. Caveney of Wheeling, WV, is the 70th president of the Southern Association of Orthodontists. He was the first graduate of the West Virginia University School of Dentistry to be president of the West Virginia Dental

Association. As a Captain in the U.S. Air Force he was one of the dentists for the astronauts.

James Caveney will head Southern Association of Orthodontists.

Missouri - St. Louis

The St. Louis Section of ICD met on Wednesday, March 13, for a dinner meeting to introduce the St. Louis Fellows-Elect to our fine group of local members. **Greg Frimel**, **Bob Cornwell**, and **Frank Miller** were introduced and welcomed. **Dick Brand**, **Bob McCune**, **Tom Auvil** and **Tom Nelson** were not on hand but we are anxious to welcome them into the ICD on October 4.

Our meeting, chaired by Deputy Regent **Larry Gaston**, was a fine one. Our program was presented by Mr. Glenn Kopp, Instructional Coordina-

Deputy Regent Larry Gaston welcomes attendees at St. Louis Chapter meeting.

tor of the Missouri Botanical Garden. He provided an excellent presentation of rain forest ecology and its impact on global conditions. The talk was supplemented with slides of the flora and fauna unique to the rain forest. There is such a wide variety that some will become extinct before there are even identified.

Our section presented an award to Mrs. Dixie Hummel for recognition of her years of service to the women's auxiliary. She will be installed in Seattle as President of the Auxiliary to the American Dental Association.

Mrs. Dixie Hummel, President Elect of the Auxiliary to the ADA, receives service recognition award from President Neal Newton.

The Seattle Convocation will be a special event for the St. Louis contingency as our own **W. Neal Newton**, will be installed as President of the USA Section of the International College of Dentists. We look forward to a good turnout of his constituency in Seattle on October 4.

The St. Louis Section is honored to have two such prominent national figures honored in 1991.

District Reports

District 7

Indiana

Sunday, December 9th, 1990, the Indiana Chapter held a gala celebration, reception, and dinner in honor of our International College USA President **Eugene Brinker** at the Skyline Club in downtown Indianapolis. Over seventy people were in attendance as the winter weather cooperated to make this occasion a smashing success.

After dinner, Deputy Regent **Chuck Hassel** introduced the head table: President **Gene Brinker** and his wife, **Suzanne**; Vice-President **Lloyd Phillips** and his wife **Barbara**; Regent **Pat Metro** and **Maryellen Galt**; Vice-Regent **Chuck Simons** and his wife **Alice**, and Chuck Hassel's wife **Bonnie**.

Our speaker was **Richard Shaffer**, the Registrar of the International College, USA Section. A retired Rear Admiral and Chief of the Navy Dental Corps, he battled a case of laryngitis to go over the history of the International College and make us aware of what the College accomplishes for its fellows and for society. He updated us on ICD national events and reviewed President Brinker's year in office.

Regent **Pat Metro** introduced past section presidents **Rice** and **Maynard Hine**, as well and the Indiana section officers. He discussed membership selection so that the spouses would understand what was required to become a member. Metro then introduced International College USA section Vice-President **Lloyd Phillips**.

District Reports

Lloyd gave a most impressive dissertation on why we must attend the ICD Opryland seminar this Summer, 1991. It shouldn't be missed by anyone, and he conveyed a lot of excitement about it. It's free, a family affair, and a wonderful vacation idea.

Vice Regent **Chuck Simons** acquainted us with more of the life of President **Gene Brinker**, his wife **Suzanne**, a former schoolteacher and his four children, one of whom, his daughter **Julie**, was present. President Gene is an avid collector of Coca-Cola memorabilia, so Chuck presented him with a giant Coke bottle. As a presidential gift finder and giver, we found him impressive, because he then presented Gene and Suzanne with a vase and globe of lead crystal that is of collector quality.

Past President Brinker and wife Suzanne accept "Coke" gift.

The Indiana chapter was proud and happy to have the opportunity to honor a man like Dr. Eugene Brinker.

May 3rd, 1991, the Indiana Chapter, District VII, of the International College of Dentists held a breakfast meeting in conjunction with the Indiana Dental Association Dental Forum 500.

This annual meeting honored ten new candidates for fellowship. Each sponsor introduced his candidate to

Candidates for fellowship Larry Beachy, John Backmeyer, Nora Harmsen, Dale Lentz, Ron Bowman, Dan Bade.

the 91 people present. Our candidates to be inducted in Seattle and their sponsors are: **Ben Asdell** by Walter Vendes, **John Backmeyer** by Everett Rigenberger, **Dan Bade** by Chuck Simons, **Larry Beachy** by Chuck Hassel, **Ron Bowman** by Max S. Burke, **Ron Ditto** by Phil Pate, **Nora K. Harmsen** by Larry Roberts, **Dale Lentz** by Lloyd Phillips, **Ray Maddox** by Ed Fox, and **George Vail** by Karl Gossweiler.

Past ICD President **Gene Brinker** presented the 1990 Golden Scroll Award, Honorable Mention, to Jan Hagedorn, Editor of the "Reveillette".

Honored Guests Ohio Dental Association President **Irv Kaplan**, Immediate Past President **Bill Black**, and Executive Director **Nancy Quinn** were introduced. **Pennie Thomas**, who just a year ago was on stage singing at Carnegie Hall and is a Trustee of Ball State University, spoke a few motivational words. She brought with her husband **Harvey Thomas**, who just happens to be the winner of the 1991 Indiana Dental Association's Distinguished Service Award.

Above, Harvey Thomas is pleased with Indiana's Distinguished Service Award.

Left, Jean Hagedorn, Editor of Reveillette, receiving the 1990 ICD Golden Scroll, Div. III Award from past president ICD, USA Section, Gene Brinker.

District Reports

Indiana's Dental Association Executive Director **Gale Coons** was presented as the winner of the 1991 ICA Special Services Award. **Jim Mercer**, our Seventh District Trustee to the ADA, **Gerry Kaufman**, IDA president, **Judy Goldblatt**, Past-President of the IDA Auxiliary and the **David Harris** family were also introduced. District VII Counselor **John Rahe** has also been nominated as the ADA Seventh District Trustee.

ICD President-Elect **Lloyd Phillips** updated us on the ICDs activities at Opryland this July.

Deputy Regent **Chuck Hassel** arranged a program that is unlikely to be surpassed at future ICD breakfasts. He had **Larry Roberts** introduce our speaker Bill Kurtis of Chicago's WBBM-TV news, with a humorous account of the helicopter trip (piloted by Chuck), that brought Bill to Indianapolis. Bill Kurtis, news correspondent and veteran of many documentaries, started his narrative with video footage from April 17, 1975 of a 50 ton rice airlift from Saigon to Phnom Penh, two weeks before the fall of Saigon. It brought us back to a very different war from the Persian Gulf War, to a time of fear and very negative national attitudes toward war and returning servicemen. Kurtis then moved to a videotape of the last day of the ten day Operation Baby Lift, with military transport planes leaving Saigon loaded with orphan babies and children adopted by families in the United States. The last baby to leave for America, traveling in an open cardboard box, was six-month-old Mai Hoa Thi Pham.

This little girl finally arrived at Chicago's O'Hare airport and was met by her new family, **David and Jean, David, Jr. and Catherine Harris** of

David and Pamela Jean Harris (ne. Mai Hoa Thi Pham) at her citizenship hearing.

Catherine, Jean, David and Pam Harris with speaker Bill Kurtis.

South Bend, after four months of anxious waiting. Dave Harris is an oral surgeon, a recent past president of the IDA, and a fellow of ICD. The last orphan to be rescued from Vietnam is now 16 year old Pamela Jean Harris, a singer, dancer, athlete, actress, cheerleader and high school student.

As Bill Kurtis introduced her, Pam stepped lightly to the microphone, and with arms outstretched to the assembled guests, sang "The Star Spangled Banner". Her audience rose immediately to its feet and many wiped away tears as Pam's clear strong voice filled the hall with her tribute to her adopted country.

Vice Regent Chuck Simons presented Bill Kurtis with a framed certificate of appreciation from ICD and Regent Pat Metro closed the program.

The international dental community lost a renowned scientist, teacher, and lecturer with the death of Dr. **Ralph W. Phillips** on May 17, 1991. Dr. Phillips, who was for decades one of the world's foremost authorities in the field of dental materials science, held the distinguished rank of Research Professor Emeritus of Dental Materials at Indiana University School of Dentistry. He died in Indianapolis at the age of 73.

District Reports

Dentistry loses noted research scientist, author and lecturer in dental materials Dr. Ralph W. Phillips.

Dr. Phillips was widely recognized as one of the most dynamic and sought after lecturers in dentistry; he appeared on more than 1,000 programs in the United States and elsewhere around the world. He organized and chaired more than 40 symposiums and conferences related to biomaterials and dental research.

As a pioneer in research Dr. Phillips was one of the first to investigate the relationship between laboratory tests and clinical performance. He initiated clinical investigations designed to evaluate the effect of the oral environment upon restorative materials and to determine the efficiency of new formulations and techniques of usage. Over the years Dr. Phillips remained faithful to his original philosophy of focusing upon the clinical applications of laboratory findings—an approach that dominated both his teaching style and research activities.

Dr. Phillips was also at the forefront in recognizing that the first consideration for clinical success of a material lies not with its physical properties but with its compatibility— assuring safety to the dentist in handling and safety to the patient in terms of pulp and tissue response and systemic effects.

District 7

Ohio

The yearly meeting of the Ohio Section of ICD was held during the annual session of the Ohio Dental Association on Friday evening, September 14, 1990. This was the second year the sumptuous Capitol Club in downtown Columbus, Ohio was the scene of an outstanding banquet attended by over 100 fellows and guests.

The evening was arranged by and hosted by Deputy Regent **David Rummel** and **Nancy Goorey**. Members of the Indiana delegation to the ODA House of Delegates, headed by President **Gerry Kauffman**, were special guests of the Ohio Section.

Patrick Metro, District 7 Regent, welcomed the fellows and guests and gave an interesting and informative update of College activities and events. The evening's activities were capped off by a humorous but thought-provoking presentation by **Phil Sorentino** of Humor Consultants, Inc.

Everyone is looking forward to another elegant evening at the Capitol Club during the 125th anniversary meeting of the ODA on Friday evening, September 13, 1991.

The Cleveland Chapter of the Ohio Section has as one of its activities an annual spring brunch. **Mrs. Julie Creig**, widow of **Ralph E. Creig**, longtime fellow of the College and Past President of the Ohio Dental Association, sponsored this year's brunch at the beautiful Acacia Country Club in suburban Lyndhurst. Special thanks go to **Richard Rice**, Past President, USA Section, and his wife, **Lois**, who were in charge of local arrangements.

Richard Rice, USA Section Past President; Patrick Metro, District Seven Regent and James Felix, Ohio Councilor.

Patrick Metro, District 7 Regent, welcomed everyone to this most successful spring event after an opening invocation given by Councilor **James Felix**. Regent Metro announced the names of the fellows-elect, Class of 1991, to be inducted into the College in Seattle. They include **Emilio Ferrara**, Kent; **John Gerstenmaier**, Akron; **Irvin Kaplan**, Akron; **Ernest Mastroianni**, Kent; **David Shaffer**, Akron, and **Alfred Uveges**, Cleveland.

Regent Metro recognized **Geza Terezhalmly**, newly appointed dean, The School of Dentistry, Case Western Reserve University, and **Frank Williams**, newly appointed member of the Ohio State Dental Board of Examiners.

Frank Williams, new appointee, Ohio State Dental Board, and Geza Terezhalmly, new Dean, Case Western Reserve School of Dentistry.

District Reports

Dean Terezhalmly gave the attendees a brief background statement and update on the international student exchange program initiated last year through action of the USA Section of ICD. A pilot program commenced in July 1990 when **Lisa Galicki**, a third year dental student at Case Western Reserve University School of Dentistry, visited Guy's Dental Hospital, London, England. Lisa spent three weeks attending dental school classes, visiting area private offices, hospitals and clinics. Lisa's experiences and observations were of great interest and most informative. Her counterpart in the exchange program, **Graham Smith**, visited Case Western Reserve in August and was introduced to a variety of dental facilities and activities available in the Cleveland area.

Graham was so impressed with his learning experiences last year he returned this April on his own to sample more of what the dental scene in Cleveland offers.

The 1991 exchange program will send Case Western Reserve dental student, **Palma Freydingler**, to Budapest, Hungary, and will bring a student from Budapest to Cleveland. Palma's parents were refugees from Hungary after the 1956 revolution, thus Palma speaks fluent Hungarian.

Palma Freydingler, 1991 International Exchange student; Marvin Fisk, Ohio Dental Association Past President, and Lisa Galicki, 1990 International Exchange student.

It is hoped the success of this pilot program will encourage other Sections to initiate and sponsor similar programs. This is a most impressive College project which enhances the free exchange of ideas and philosophies among international students who will be tomorrow's dental professionals.

Sixty fellows and guests were in attendance to enjoy a hospitality hour before the delicious brunch and the excellent program which followed.

John E. Horton presented plaques of appreciation for teaching, research, and service to three periodontal faculty members at Hacettepe University College of Dentistry, Ankara, Turkey, who have been Visiting Professors sponsored by the Department of

Periodontology, The Ohio State University College of Dentistry. Those honored at the dinner were: Dr. Gurhan Calayan, Professor and Chairman; Dr. Kenan Eratolay, Professor; and Dr. Bayazit Bagci, Associate Professor.

Dr. Horton's visit to Turkey was in conjunction with the 4th International Academy of Periodontology meeting in Istanbul, where he was a featured speaker.

Below, awards are presented to visiting professors to Ohio State University College of Dentistry Drs. Kenan Eratolay, Gurhan Caglayan and Bayazit Bagci, members of Hacettepe U. College of Dentistry (Ankara, Turkey) faculty by John E. Horton (second from left).

District 8

Illinois

James H. Ridlen, 8th District Regent, held an Officers Meeting on Monday, February 18th at 10 a.m. in the Regent Hall at the Fairmont Hotel in Chicago in conjunction with the Midwinter Dental Meeting of the Chicago Dental Society. Dr. Ridlen called the meeting to order around the Grand Piano to carry on the business of the 8th District (Illinois). None of

Regent Jim Ridlen welcomes USA Section President W. Neal Newton to the Illinois meeting.

the business, however, lent itself to piano accompaniment. **Thomas Emmering**, USA Councilman, gave an in-depth Foundation report.

Out 8th District annual social hour and "Program Luncheon" followed the Officers meeting.

ADA President Gene Truono speaks while Deputy Regent Richard Kozal takes notes.

Dignitaries Tom Emmering, USA Councilman; Julio Barraucos Mooney (Argentina), President ICD South American Section; W. Neal Newton, President USA Section and Minoru Horiuchi, ICD Meetings Chairman, gather for IL meeting.

Bill Kopperud and GLOBE Editor William Hawkins enjoy a moment together.

Below, Vice Regent Richard Shick with inductees Arnold Gartner, Robert Winter and James Sievert, Daniel Cox, Virginia Merchant, Nancy Barton, Ronald Van Swol, Larry Morton and Gerald Dietz.

District 9

Michigan

Larry Marcotte was successfully elected president-elect of the Michigan Dental Association. His term as president began in April

Ronald Paler has announced his candidacy for president-elect of the Michigan Dental Association.

Recently inducted fellow **Gerald Dietz, Sr.** finished his term as president of the American Association of Endodontists and now serves on its board as past president.

Paul Mentag was elected a Trustee to the Michigan Dental Association representing Oakland County.

Recently inducted fellow **Virginia Merchant** published, et al., "Controversies in Infection Control," in *Dental Clinics of North America*, 1990 Jan.; 34(1):55-69.

Michael Wisenfeld presented a one day continuing education course for personal dental claims processing personnel titled, "Radiographic Interpretation".

District Reports

Leon Herschfus accepts Grievance Commission appointment.

Leon Herschfus recently accepted an appointment to the State Attorney Grievance commission for the State of Michigan. Chief Justice Riley of Michigan's Supreme Court requested this service. Leon recently completed 8½ years on Michigan's State Board of Dentistry.

Wisconsin

The Wisconsin Chapter held its annual meeting and banquet on Saturday, May 11, 1991 at the Pfister Hotel in Milwaukee in conjunction with the Marquette University School of Dentistry class reunions and scientific days. Following custom, the meeting was held jointly with the American College who hosted this years event. In addition to dignitaries from the Wisconsin Dental Association, we were honored to have present ICD, USA Section President **W. Neal Newton**, ICD Foundation President **Tom Emmering** and ICD Ninth District Vice Regent **Richard Schick**.

The International and American Colleges hosted a joint luncheon meeting during the Wisconsin Dental

Association Annual Sessions. This event was held in Madison on Monday, September 16, 1991.

In May Regent **Charles Ziegler** presented the annual ICD student award to **Randall Dietz**, the senior showing the most improvement during his four years at Marquette University School of Dentistry.

Regent Charles Ziegler enjoys presenting the student award to Randall Dietz who showed the most improvement during his four years as a student.

Another annual award is given to an outstanding clinician presenting a program at the table clinic session during the Wisconsin Dental Association annual meeting. Recipient was Dr. Ken Kempf, a LaCrosse Oral Surgeon, with a clinic on "Diagnosis of Sinus Infections". Gus Brickbauer presented the award.

Four distinguished Wisconsin dentists were inducted into the College last fall in Boston. They are **Ronald Van Swol**, Milwaukee, Professor of Periodontics and Chairman of Diagnostic and Surgical Sciences at Marquette Dental School; **James Sievert**, who practices in Wausau and assists in teaching several weeks each year in various continuums at the

Pankey Institute; **Tom Winters** of Brookfield, an acknowledge international teacher and expert in dental ceramics; **Nancy Barton**, Milwaukee, Assistant Professor Periodontia at Marquette Dental School. We are honored to have these fine individuals join our ranks and extend a warm welcome to them.

William Nequette is President of the American Academy of Crown and Bridge Prosthodontics.

Carl Schuler is President of the Wisconsin Dental Association Insurance Program.

Eva Dahl is Acting Chairman of the Wisconsin Dental Examining Board.

William Eiche is Secretary of the American Academy of Restorative Dentistry.

Chet Perchbacher, ICD Past President, just turned 89 and although retired, is still seen regularly at Dental Society meetings in Appleton.

David Sampe is President of the Wisconsin Dental Political Action Committee.

Jerry Walker is President of the Dental Forum of Milwaukee.

We welcome three of our new fellows Tom Winters, Ron Van Swol and James Sievert.

District Reports

District 10

Minnesota

The Minnesota Chapter of the USA Section held its meeting in conjunction with the Minnesota Dental Association's annual meeting on April 21, 1991. Deputy Regent **Amundson** presided over the meeting, and after welcoming almost fifty Fellows, introduced the numerous dignitaries present.

Among them were Regent **Richard Schoessler**; **Don Erickson**, past president of the International College; **Don Bentley**, past president of the American Dental Association; and **Bill Nienaber**, Guest of Honor of the Minnesota Dental Association for 1991. Two new Fellows were introduced, **Richard K. Check** and **George L. Humphrey**.

Dale Hills introduced **Harold S. Eberhardt**, President of the International College. President of the International College. President Eberhardt greeted all those present from the International College. He spoke of how proud he was to represent the pre-eminent dental organization of the world. The ICD is the only world-wide dental organization that is very selective of those who are invited to belong. The International College continues to be more concerned with the quality of its membership than it is with the total number of members. He gave a summary of the International College Convocation which was held in Singapore.

Deputy **Amundson** then introduced the speaker for the morning, **Eugene J. Truono**, president of the American Dental Association. He spoke of his number one concern which is to build

International College President Harold Eberhardt with Regent Richard Schoessler face the future of the College.

unity among members of the ADA. President Truono feels that the issues that bind all dentists together far outweigh the issues that would separate us. He went on to describe the "mentor" system he is hoping to establish. The Fellows present were all asked to think of the dentist that helped them while they were young dentists. He then challenged us all to provide this same mentoring to a young dentist.

The meeting was concluded by Regent **Amundson** with the announcement that next year's meeting would be held in the same location.

Coffee to wake up for Richard Elzay, Michael Till, George Humphrey (new Fellow), William Nienaber (guest of honor) and Anna Hampel.

ICD President Harold Eberhardt, ADA President Eugene Truono and Deputy Regent Vernon Amundson enjoy a laugh.

District Reports

North Dakota

The International College met January 18, 1991 and the members enjoyed dinner and meeting with our newest member **Robert Kline** and his wife **Carol**, and future member **John Warford**.

The Oregon Chapter held our Annual Breakfast on April 7th during the Oregon Dental Association Meeting. The breakfast was well attended; we were honored with the presence of **Geraldine Morrow**, President-Elect of the American Dental Association.

Plans have been finalized for our Annual Scientific Meeting, to be held at the Inn at Eagle Crest in early September. Our outstanding new members will present the lectures.

We are proud of **Lon Carroll**, one of our own, who has been selected as Vice President of the USA Section of the College.

District 11

Oregon

Howard Curtis, Geraldine Morrow, William Ten Pas and Paul Kunkel, Jr. gather for a picture.

Retiring Deputy Regent Durward Moseley (left) accepts his RES ISPSA award from new Deputy Regent Max Friend.

District 12

Arkansas

The Arkansas Chapter of ICD joined with the ACD for breakfast Sunday, April 14th, during the Annual Session of the Arkansas State Dental Association. The ICD business meeting was held after the breakfast.

New Deputy Regent **Max Friend** convened the meeting and introduced our guest **Tom Ginley**, ADA Executive Director. He also welcomed **Hal Koppel** as our newest member inducted in Hawaii.

Tom Ginley brought us the greetings of the ADA and thanked the College for the role it is taking in helping the young dentists throughout ACT project (Assistance, Counseling in Transition). He stressed the importance of this endeavor in maintaining the vitality of organizing dentistry.

Discussion was held on developing new projects in our chapter. This was placed in study. **John Weiderkehr** pointed out that we need to add three or four new member to our membership.

John also stressed the value of our continuing Education Conference and urged our attendance at the Nashville Conference at the Opryland Hotel July 20-21, 1991.

Our award of \$100 for the best research paper presented by a dental hygiene student was given to Pam Rugar.

The award of \$50 for the best table clinic given by a dental assistant was given to Janelle Thomas and Mary Yancey.

Just before closing, Max presented the RES IPISA Loguiter award to retiring Deputy Regent **Durward Moseley**.

District Reports

District 13

California

HE GOT CLOSER THAN CNN – Congress may have heard from Stormin' Norman Schwarzkopf and Chicago may have given Colin Powell a parade down Michigan Avenue, but California ICD Fellows gave a warmer-hearted welcome to their back-from-the-war colleague, San Luis Obispo oral surgeon **Marty Craven**, a few days after he returned from the Gulf War in Saudi Arabia.

Marty, the treasurer of the California Dental Association and a recent new father, is in one of the reserve units called up for Operation Desert Shield and landed in the thick of it during Desert Storm.

At the annual Joint Breakfast of the International College and the Southern California Section of the American College, Marty described in detail his Gulf War experiences. Being a physician as well as a dentist, he treated many wounded military and civilian personnel.

As in most war stories, there was the humorous, the maudlin and the deadly serious. He told how he missed

"... and debris was raining all around us, as the Scud missile hit the American barracks nearby..." describes Marty Craven during his talk on his Desert Storm experience in Saudi Arabia.

District 13 Vice Regent Carl Lundgren temporarily upstages the American College of Dentists sign at the ICD/ACD joint meeting, all in fun, since many present are Fellows of both Colleges.

common everyday items. "We got a lot of stuff from back home, but no one mailed us any ice, something we missed very much." Food was mostly MRE's (Meals Ready to Eat), but occasionally they'd get some "mystery meat," which they surmised was camel/goat-burgers. Fruit punch spiked with Scope and Listerine made a passable potent potable.

While patching up an Iraqi prisoner, an American officer remarked, "Saddam is a jackass," to which the Iraqi replied, "Do not insult the jackass."

By far the most unforgettable images Marty presented were his eyewitness accounts of the Scud missile attacks and the counterstrikes by the Patriots, push-button warfare at its deadliest.

Fortunately, he came home without injury, but it was awfully close, as he was situated adjacent to the army barracks in Dhahran, Saudi Arabia that was demolished by a Scud on February 25, killing 28 Americans, a few days before the cease fire was called.

OUR FELLOWS DON'T LIE FALLOW – With the superabundance of ability, energy and leadership qualities among our members, it's hard to keep up with their achievements, but here are just a few we want to spotlight:

Howard Landesman, Encino – Chosen by USC as the new dean to lead its dental school into the 1990's. Youthful-looking Howard says, "I'm in-bred and proud of it," referring to his almost three decades with USC as an undergraduate and, later, post-graduate student; a part-time and, later, full-time faculty member; an administrator; and a past-president of the Dental Alumni Association.

Bill Crawford, Palos Verdes Estates – Named Alumnus of the Year by his alma mater, USC Dental School retiring as its dean after 12 years in that post; handing over the reins to his classmate, Howard Landesman.

Bert Wolfsohn, Palo Alto – Received well-deserved laurels from his alma mater, UC-San Francisco, for many years of professional and public service; having a lectureship named in his honor, the Annual Bert Wolfsohn Lecture. Bert was the first endodontist west of the Mississippi, pioneering several endo techniques still in use today. He was a member of the Horace Heidt and His Musical Knights band in the "Big Band" era of American music and, for many years, was featured annually in San Francisco newspapers blowing the shofar (ram's horn) at Rosh Hashana.

Moon-Aung Wu, Los Angeles – Celebrated the 50th anniversary of his induction into the ICD, reminiscing that the late Elmer Best was the Registrar at the time, and, despite his advanced years, says he looks forward to meeting the new kid on the block (current Registrar Dick Shaffer).

District Reports

Hail Fellow Well Met? That seems an appropriate caption for this photo op at the President's Reception during the Spring Scientific Session of the California Dental Association as CDA President/ICD Fellow and Mrs. Gene Brown, left, greet Dist. 13 Deputy Regent and Mrs. Bruce Lensch.

Jim Cunningham, Mountain View and **Erik Olsen**, San Francisco – Led Delta Dental Plan of California to another record year as its Chairman of the Board and President/CEO, respectively.

Jerry Ennis, San Francisco and **Ed Cowan**, Riverside – Put on other hats and are Chairmen of the Northern and Southern California Sections of the American College of Dentists, respectively.

Ross Prout, Tarzana – Honored by his peers in the Southern California Society of Oral and Maxillofacial Surgeons with its Distinguished Service Award.

Bill Van Dyk, San Pablo and **Jack Conely**, Glendale – Earned awards in the 1990 ICD Journalism awards competition. Bill was the winner of the Golden Pen award in Division II and Jack received an honorable mention in the same category, Division I.

Jim Dawson, San Rafael – Elected president of the State Board of Dental Examiners.

District 14

Colorado

The Colorado Constituent held its annual business meeting during the Metropolitan Denver Dental Association Winter Regional Meeting on January 18, 1991. **Gene Meyer** of Denver was welcomed as our newest member after his having been inducted into the College at the Boston Meeting.

Each year our local chapter gives an award for an outstanding table clinic presentation at the Winter Regional Meeting. This year's recipient was Dr. Roberta Shacklee for her table clinic on "Esthetic Enhancement Through Periodontal Therapy." We also give the annual Grace Ogle Scholarship award to a student at the University of Colorado. The recipient for this year was Curtis Werking.

Our Chapter awarded \$300.00 to six dental students at the University of Colorado to offset their expenses and make it possible for them to attend the

House of Delegates at the annual Colorado Dental Association meeting held in Colorado Springs. Their response to seeing how the democratic process in organized dentistry functions was excellent and they were very grateful for the opportunity. We feel this is an excellent means of integrating the student population into organized dentistry and encouraging the new graduates to play an active role in the dental association.

District 15

Texas

The Texas Constituent held a breakfast during the Annual State Meeting in early May. The well attended meeting was held at the River Walk Marriott in San Antonio with 75 members present. **Donald Brunson**, Regent of the 15th District welcomed the Fellows and introduced **Dr. Shaffer**, Registrar of the International College of Dentists, USA Section who gave a spirited address. **Eugene Truono**, President of the American Dental Association also spoke on his favorite topic, the Mentor Program.

William E. Murphy, DDS, professor and chairman of the Department of General Dentistry at Baylor College of Dentistry, Dallas, retired on January 31, 1991, after a 38-year career in dentistry.

Dr. Murphy is known for his expertise in general dentistry and for his

District Reports

record of success as the director of general dentistry programs both at Baylor College of Dentistry and at the University of Nebraska College of Dentistry.

Dr. Murphy established the Department of General Dentistry at Baylor College of Dentistry in 1986 and has served as its chairman since then.

In addition to his years as an educator, Dr. Murphy practiced general dentistry full-time in Neligh, NE for 21 years and part-time in Lincoln, NE for 10 years. He began private practice after serving a hospital dental internship in the U.S. Public Health Service. In 1975, he joined the faculty of the University of Nebraska College of Dentistry. He directed the senior general practice program at that dental school from 1977 until joining the Baylor College of Dentistry faculty in 1985.

His honors include induction in 1983 into the Hall of Fame of the Nebraska Dental Association and a Fellow of the International College of Dentists, and past president of the Nebraska Section, he is also a fellow of the American College of Dentists and presented the Outstanding Teacher Award by dental students of the junior class at the University of Nebraska College of Dentistry in 1976.

District 16

North Carolina

The annual meeting of the North Carolina Section was held jointly with the North Carolina Section ACD in Myrtle Beach, South Carolina, May 17, 1991.

H. Wayne Mohorn, who succeeded **Jack Shankle** as Deputy Regent presided. Wayne, like Jack, is an Endodontist and is very capable of "filling" the position as was demonstrated by the well-planned, enjoyable and informative program he conducted.

Guests included spouses of inducted Fellows, newly inducted Fellows, **James Gainey**, Trustee of District 16 and Mrs. Gainey, Clinicians for the North Carolina State Dental Association, **Robert Ferris** and **William Bottomly**, **Jack Opinski**, candidate for ADA President and Mrs. Opinski and **Joseph Catlett** and Mrs. Catlett.

Jack Shankle receives N.C. ICD Award for service from H. Wayne Mohorn, Deputy Regent.

Guy Willis, Mrs. Robert Sugg, Mrs. Willis and Jack & Mrs. Opinsky face the "birdie".

Robert Garren, **Carroll Kennedy**, **Donald Nelson** and **Joseph Porter** were inducted into the Fellowship at the 1990 Boston meeting. **Donald Warren** Was inducted in a "first time multi-section induction ceremony in Singapore prior to the Federation Dentaire Internationale meeting September 6-7, 1990. A past President of the American Cleft Palate Association and past President of the Cleft Palate Foundation, he presented a scientific program in Singapore at the same time.

The North Carolina section recognizes dental students at the University of North Carolina School of Dentistry every year by sponsoring a Student Table Clinic Day at the school which was held April, 1991 and an ICD Award for achievement.

Joseph Catlett received the 1991 ICD Achievement Award. He is a native of Fayetteville, North Carolina, Attended Brigham Young University and earned a B.S. Degree in Zoology at UNC-CH. Prior to choosing dentistry as a career, he was a mission-

District Reports

ary in Japan. "His mission now is to carry the message of dentistry to people in need". **Baxter Sapp, Jr.**, past President USA Section ICD presented the award.

Baxter Sapp, Past USA ICD President, Joseph Catlett, Student ICD Award recipient, W. Wayne Mohorn, Deputy Regent.

Jack Shankle, immediate past deputy regent received a plaque from the North Carolina Section ICD for his outstanding, unselfish service to the International College of Dentists, as a teacher and practitioner. The Award was made by **Wayne Mohorn**, Deputy Regent.

John Stamm, Dean of the UNC School of Dentistry and Fellow Canadian ICD, was the principle speaker. He discussed the improved DDS applicant pool, and budgetary factors. He especially stressed the need to improve challenges and esteem in the dental auxiliaries.

During the 135th Annual Meeting of the NC Dental Association, **Jack Shankle** received the North Carolina Dental Society Distinguished Service Scroll which is the highest award given by the Society.

John Olmsted received the NCDS Commendation Award an honor reserved for an NCDS member who has exhibited leadership qualities and service to the society.

W. Keith Morgan, Sr. assumed the position of president for the North Carolina Dental Society for the 1991-1992 term.

C. Gregory Chadwick was elected Secretary/Treasurer of the North Carolina Dental Society.

Fellows in the District continue to be actively involved. **Ken Diehl** is completing his term as President of the North Carolina Association of Orthodontists. **Charles Willis** is completing

Mrs. Garren and Jack & Mrs. Sowter listen to a humorous note.

his term as President of the NCAGD and will be succeeded by **Morris Griffin**.

Ken Owen is President-Elect of the Southern Society of Orthodontists and immediate past president of the North Carolina Dental Society.

Bettie McKaig serves as President of the North Carolina State Board of Dental Examiners. **James Elliott** and **Stanley Flemming** are also members of the Board.

Jack Sowter completed a successful year as President of the North Carolina Dental Society. One of his goals was to increase membership from newly graduating dentists and non-members presently practicing. Fellows serving on ADA Councils and commissions include **James A. Harrell, Sr.**, **Harold O. Heymann** and **Glen F. Bitler**. **Ben Barker** serves as Chairman of the

District Reports

Council on Dental Education and Chairman of the commission on Dental Accreditation. **Robert Sugg** serves as Chairman of the Council on Governmental Affairs and Federal Dental Services.

A survey of the roster of ICD members reveals a good number of father and son or same address practices.

One of North Carolina ICD father-and-sons practicing together – Macon and Baxter Sapp.

Smiles on retired/relaxed Deputy Regent Glen Bitler and Bill Mynatt.

Past USA President **Baxter Sapp** and his son **Macon** enjoy a relationship in General and Family Practice. **Jack Sowter**, Prosthodontist and his son **William** share the same facilities and office personnel. **James Harrell, Sr.**

Dr. Lindsay Hunt, Dean of the MCV School of Dentistry (left) receiving the check from Dr. Manny Michaels, Vice Regent of District 16.

and his son **James, Jr.** are associated in a General and Family Practice.

H. Wayne Mohorn, Sr. and his son **Wayne** are practicing endodontics and are anticipating an addition of two sons or brothers **Steven**, 1992 and **D. Jason**, 1994 now studying at UNC-CH.

Pearce Roberts, Jr., a leader in dentistry and his community, passed away January 29, 1991. His presence to his patients and colleagues was appreciated and he will be missed.

Virginia

The Virginia Chapter of the International College of Dentists has endowed a scholarship at the Medical College of Virginia School of Dentistry. The annual interest on the ten thousand dollar gift will be awarded to a promising junior student selected by the Dean.

This scholarship, which is now funded for the future, recognizes the ability of the student, and the interest and aim of the International College in dental education.

ICD Journalism Awards

given at AADE meeting

These awards held in honor by recipients

Recognized as the most prestigious awards for excellence in dental journalism, the ICD awards are given in several categories. These award winners appearing in the 1989 publications were presented at the annual meeting of the American Association of Dental Editors held October 11, 1990 at the Westin Copely Place in Boston, Massachusetts.

GIES EDITORIAL AWARDS

Winner: **Integrity is Part of the Treatment Plan**. Dr. William Howard, Editor, Journal of General Dentistry.

Honorable Mention: **The Ethics of Expert Testimony**, The Tower of Babel, Dr. Daniel M. Laskin, Editor, Journal of Oral and Maxillofacial Surgery.

ICD JOURNALISM AWARDS

GOLDEN SCROLL

Division I, **Dr. David L. Turpin**, Editor of the *Angle Orthodontist*.

Honorable Mention, **Dr. A. Norman Cranin**, Editor of the *Journal of Oral Implantology*.

Division II, **Dr. Thomas Kauffman**, Editor of the *Dental Mirror*.

Honorable Mention, **Dr. Theodore R. Huter**, Editor of the *GLAO News*.

Honorable Mention, **Ms. Jan Gagedorn**, Editor of the *Reveillette*.

GOLDEN PEN

Division I, **Dr. Bert V. Dannheisser**, Editor of *Today's FDA*.

David Turpin (R) receives Golden Scroll, Division I, award from President Brinker.

Honorable Mention, **Dr. Jack Conley**, Editor of the *Journal of the California Dental Association*; **Dr. Victor J. Berry**, Editor of the *WSDA NEWS*; **Drs. Bruce R. Pynn and Owen Symington**, Editors of the *University of Toronto Journal*.

Division II, **Dr. William A. van Dyk**, Editor of the *CCDS Newsletter*.

GOLDEN PENCIL

Division I, **Dr. Noel T. Maxon**, Editor of *CDS Review*.

Honorable Mention, **Dr. Norman Becker**, Editor of the *Journal of the Massachusetts Dental Society*.

Division II, **Dr. Victor Pineschi**, Editor of the *Westviews*.

Special Citation to these Editors

Dr. James R. Hayward, *Journal of Oral and Maxillofacial Surgery*. **Dr. Bernard P. Tillis**, *New York State Dental Journal*. **Dr. Douglas B. Willingham**, *Texas Dental Journal*. **Dr. Noel T. Maxon**, *CDS Review*. **Dr. Stephen Douglas Halasey**, *USC Dentistry*.

Things happened at your annual ICD meeting

Boston convocation had induction, awards and entertainment.

A great day of events happened to you in Boston. For inductees and sponsors, gathering for the robing and ceremony to follow was a memorable

Regents meets, addresses are given, awards are bestowed, a gourmet dinner served and an evening of entertainment is enjoyed.

He thought being a Governor was tough but being Secretary was more so. Too many bosses, too much ideology, budget driving policy rather than the reverse and living costs soaring out of sight were just some of the problems.

An outstanding feature of our day in Boston was the address given by the Secretary of Health and Human Services Otis P. Bowen, M.D. Dr. Bowen's address focused on demographics, problems of aging and some of his experiences in that office.

Getting older presents very pressing and current problems. Over the next generation there will be an expected increase of 80% in those of 65, 100% over 75 and a whopping 280% over 85.

The younger generation faces big challenges and difficult choices to

Inductees escalate to the great moment.

time. A time of suspense and expectation. Then a time of hushed waiting as you stood in the great hall for the program to start. What a wonderful time in your life as the marks of a Fellow were bestowed upon you.

Other things happened other than this memorable time. The Board of

Mrs. Steve Yuen assists your President of the College, Sadakatsu Sato.

Newcomers anxiously await the ceremony.

The Honorable Otis Bowen, M.D. receives Honorary Membership from President Brinker.

President Brinker confers Treasurer Emeritus on John Reifke (Master).

President Brinker, President-elect Newton and Vice President Lloyd Phillips address issues at Board of Regents meeting.

make. Other problems are as yet unmet. Answers as yet unclear and unavailable. Answers must be found.

The Board of Regents meet to deal with the affairs of the College. Nominations for Fellowship are approved, finances are cared for, awards are approved, projects are dealt with along with a variety of governing items.

And then the great moment arrives. Fellowship is bestowed upon the anxious inductees. Prestigious awards are granted and the Presidency is passed.

The finalé of the day is the feast and dance that follows. Formalities are over and the time of entertainment, frolic and visiting takes over. What a great day!

You need to be present this year.

President Sato, 1990, places President's Medallion of 1991 on College President Harold Eberhardt.

Al and Florence Fallavollita and Bob and Nancy Stubbs relax after a strenuous day.

Mr. L. Brinker, father of President Brinker, USA Section, and son and daughter-in-law Mr. and Mrs. John Brinker, enjoy th evening.

Barbara Shaffer, ADA President Gene Truono, Mrs. Truono, Nancy and President-elect Neal Newton enjoying the banquet.

Your ICD, USA Section Foundation Enlists your Support

You and dentistry benefit from foundation projects

The USA Foundation grows and flourishes through the steady support of the USA Section Fellows. The Foundation, based on solid principles, seeks to put into action the purposes and goals set forth in 1985. Your contributions help these to be achieved.

The ICD, USA Section Foundation, Inc. grew out of a sincere desire of the officers and Board of Regents to establish a separate non-profit, philanthropic entity dedicated to educational, scientific and charitable purposes within the profession of dentistry.

To accomplish this desire, at the 1984 meeting of the Section a committee was appointed to draft the proposed foundation. This draft of the Foundation's Constitution and Bylaws was presented to the Board of Regents at the annual meeting in 1985. Those active on this committee were Tom Emmering, Lloyd Phillips, Don Allen and George Selfridge. The committee received encouragement and valuable input from Registrar Frank Kenward, Herb Yee and the Officers and Regents. With the sanction of the Board of Regents, the Constitution and Bylaws were refined, completed and filed as a non-profit corporation. In January 1986 the USA Section Foundation was incorporated in Florida.

The purpose of the ICD, USA Section Foundation, Inc. as stated in the Constitution is:

- a) To encourage, aid and assist worthy projects and scientific dental research;
- b) To encourage, aid and assist graduate dentists in their continuing education and the improvement of their scientific knowledge and skills in the profession of dentistry;
- c) To encourage and assist dental students, graduate and post-doctoral dental students and pre-dental students;
- d) To encourage and assist in the establishment and maintenance of professional libraries for the use of such dental students, graduate and post-doctoral dental students, pre-dental students and graduate dentists;

To abide by the Florida law requiring an in-state registered agent residing in the state, Frank Kenward was designated the first registered agent of the Foundation. The first officers were Tom Emmering, president; Lloyd Phillips, vice-president; and "Satch" Selfridge, secretary-treasurer.

With a grant from the USA Section a brochure was produced and distributed to the ICD Fellows. The first official contribution was from District 8 and

the first individual to make a contribution was Lon Carroll. Very quickly other individual and District contributions poured in. The pattern continues today. The USA Section contributes to the Foundation as memorials to deceased members. Today, voluntary contributions made along with our annual dues averages well over 70% of our members. Our Foundation growth has been accomplished without major solicitations, fund raising campaigns or the seeking of large gifts and pledges. Our Foundation has grown and flourished through this steady support.

One primary project of the Foundation is the College's Continuing Education Program. Many Fellows have enjoyed the finest in Continuing Education through this program.

Another worthy project, through a grant from the USA Section, provides major support for the Careers in Dentistry programs for dental students conducted by the American Association of Dental Schools. Future projects will adhere to the principle that will offer direct benefits to participating USA Section Fellows and those involved in the dental profession at all levels.

The officers of the Foundation are:
President, Tom Emmering
Vice-President, Baxter Sapp
Secretary-Treasurer, Don Johnson
Trustees: Dick Rice, Dick Schoessler,
Herb Yee, Bill Hawkins, "Satch"
Selfridge

Registered Agent in the State of
Florida: José Medina
