Sale of ICD Convocation Robes

All ICD Fellows – The USA Section Board of Regents has voted to shift from owning our Convocation robes to renting them. We will use our owned robes for the Monday, October 10, 2011 Convocation in Las Vegas, Nevada. The robes are being put up for sale to be picked up or shipped to you after the 2011 Convocation. Because of the interest in purchasing robes in the past, the Executive Committee has chosen to sell them at a set price of \$100 per robe plus \$15 shipping and handling (if applicable). You may also choose to pick up the robe or have someone pick up the robe for you after the 2011 Convocation at the Mandalay Bay Resort and Casino, South Pacific Ballroom located in the North Convention Center of the resort, 3950 Las Vegas Boulevard South, Las Vegas, Nevada.

Our ICD Robes are described as a fine-grade black poplin with velveteen trim. They have three front panels – lilac, traditional hue of the dental profession; gold and dark green, the official College colors. There are regulation black velvet bars on the sleeves, with a three inch gold band below the bars. We have a few hats available at no extra charge. The newer robes have brighter colors than the older robes, which have more subdued colors. Please see pictures for clarification. (Note: Robes weigh about 4 lbs and hats weigh about 1/2 lb.)

Past Presidents Drs. Roberson and Wier in ICD Robes.

If you would like to purchase a robe, please use the order form on page 4 and mail form with payment to the USA Section office. We accept checks, Visa and MasterCard payments. Contact Jennifer at the Section office with questions - Jennifer@usa-icd.org or phone (301) 251-8861 9-4:00 ET.

3. October 10, 2011 – The Annual ICD Convocation and Dinner Dance. Yes, this is a Monday; your calendars are fine. The ADA did a shift this year, and since we precede them, we shifted too.
4. November 10-13, 2011 – ICD College at Large (CAL) Meeting in New Delhi, India.

Frequently Asked Questions:

1. I know a District can have more than one Deputy; can a state have more than one Deputy? Yes, our current Bylaws allow for multiple Deputies in a single state. California and New York are examples of multiple Deputies. The request has to be made to the Board by the Regent.
2. If a Regent is unable to attend a state meeting but the Vice Regent can attend, can the Vice Regent be reimbursed for the travel? Yes, the Regent will have to make a special request for an exception to the Bylaws, to the Section Vice President.
3. I have heard about organizations supporting “Lobbying Fees” does the ICD do this? Absolutely not! We have posted on our website “The International College Of Dentists, U.S.A. Section does NOT in any way use membership payments to provide funding or support for lobbying efforts.”

News from the College at Large Office:

The College at Large has selected a New Secretary General; it is John V. (Jack) Hinterman, a U.S.A. Fellow. He has been a Fellow since 1978, and has been the Editor of the College during the past six years. His long-time experience in dental association leadership positions prepares him well for his new duties. Welcome to the new position, Jack.

U.S.A. Section Foundation “We are making a difference”

I feel extremely privileged to be your Foundation President. It is so rewarding to engage in the work with a focus on helping mankind. It is always a delight to see the results of the contributions we have made in locations like Kenya, Tanzania, Haiti and Cambodia. We could not have done any of this without your continued contributions and support.

This year we are picking up the funding for the Section International Student Exchange and the Student Leadership Awards. Both are outstanding programs that support the growth and development of our next generation of future dental leaders.

So, yes, “We are making a difference” and that is being noticed worldwide. Join us in this endeavor by contributing your time, ideas and resources to expand our ability to make the kind of contributions that change people’s lives.

In Fellowship,
Dr. Jim Allen

BOARD OF REGENTS MEET IN OREGON

The spring 2011 Board of Regents meeting was held at the Allison Inn and Spa in Newberg, Oregon May 11-14, 2011. Attending Fellows and guests enjoyed a wide variety of local venues, such as traveling by The Trolley for wine tasting with a luncheon at the Joel Palmer House restaurant, visiting a working llama ranch, lunch and tour at the world headquarters of A-dec dental equipment manufacturing facility, visiting the Evergreen Museum - home of the Howard Hughes Spruce Goose, and stopping by numerous art galleries and wineries.

Over thirty committees and individuals presented reports to the Board of Regents representing the vitality and diverse activities which the USA Section Fellows are leading to make a difference. Some of the highlights include:

- ◆ Proposed a USA-based outreach project that would create a network of ICD Fellows to provide emergency dental care to families staying in one of 54 "Fisher Houses" during the time "Wounded Warriors" are hospitalized to receive rehabilitative care.
- ◆ Voted to increase the number of Honorary Fellowship awards to four per year with one being from industry.
- ◆ Celebrated the agreement, adoption and documentation of a cooperative and mutually supportive legal governance relationship between the USA Section and the USA Section Foundation.

During the first two days of meetings, two outstanding professional development courses were enjoyed by the Fellows, spouses and guests. Fellow Dr. Steve Beadnell, oral maxillofacial surgeon, presented "Home and Office Medical Emergencies". Dr. Fritz Fraunfelder, ophthalmologist and retirement book author, presented "Retirement Rx", and then offered a copy of his evidence-based book to each Fellow/guest group in attendance.

Overall the spring BOR meeting was productive, stimulating, enjoyable and rewarding. The USA Section is making a bigger difference through ongoing leadership by all Fellows.
