## OUR DEPUTY REGENT EDWIN L. MORRIS

On September 24th, the Maryland Chapter hosted the annual ACD/ICD/PFA breakfast at the Chesapeake Dental Conference. We were joined by twenty-two dedicated early risers who shared in a very hardy breakfast and were then enlightened by a thought provoking lecture by Dr. Robert Grill.

Dr. Grill, who has had a general dental practice on Harford Road in Parkville, MD for many years has had extensive training in TMJ diagnosis and treatment. He recently opened another office in Towson dedicated to the management of myofascial pain and TMJ disorders. He offered his thoughts on a range of issues related to MFPD. The comfortable setting and the assembled members combined to make this a very enjoyable learning experience.
